ASSIGNMENT

In consideration of the payment of one dollar (\$1.00), and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and for other good and valuable consideration, Dennis Troutman (Assignor) hereby assigns to BlueCats Australia Pty Ltd. (Assignee), a Corporation having a place of business at 8767 Old Madison Pike NW, Suite 300 Huntsville, AL 35806, his entire right, title, and interest to the invention "Radar for Tracking or Generating Radar Images of Passive Objects" (Invention) disclosed in International Application PCT/IB2019/001455 filed 09 September 2019 and in US non-provisional application 17/268,474 filed 14 February 2021.

The assignment of the above mentioned right to the Invention includes any and all patents, reissue patents, design registrations, utility models, and the like, that may be granted in the U.S. or in any other country with respect to the Inventions and improvements thereto, and in any applications, including continuations, continuations-in-part, or divisionals, and international applications that may be filed with respect to the Inventions or improvements thereto.

The assignment of the above mentioned right to the Invention includes transfer of the patent rights in all contracting states, as well as the right to use a convention priority of the International PCT application in all countries.

On request, Assignor undertakes free of charge to execute and to sign all documents that may be required to assert the rights transferred hereby.

This Assignment and each of its terms shall be binding on the Assignor, his representatives, heirs and assigns, and shall inure to the benefit of Assignee, its successors, and assigns.
