REEL: 056622 FRAME: 0353

ASSIGNMENT

This Assignment is by and among:

- (1) The Toro Company (hereinafter "Toro"), a corporation of Delaware, United States of America, having its principal office at 8111 Lyndale Avenue South, Bloomington, Minnesota 55420-1196, USA;
- (2) Changzhou Globe Co., Ltd., a corporation organized and existing under and by virtue of the laws of the People's Republic of China ("PRC") and having an office and place of business at No. 65 (3-4) Xinggang Road, Zhonglou Zone, Changzhou, Jiangsu, China; and
- (3) Nick Suchoza, Jianlong Chen, and Chang Wang (referred to individually as "Inventor" and collectively as "Inventors") with residences as indicated below, all of whom are employed by Changzhou Globe Co., Ltd or a subsidiary thereof ("Globe").

WHEREAS the Inventors wish to transfer, and/or memorialize the prior transfer of, certain rights described herein to Globe;

WHEREAS Globe wishes to transfer, and/or memorialize the prior transfer of, certain rights described herein to Toro;

WHEREAS Globe has an ownership interest in and to an invention and application as identified below by virtue of the laws of PRC and wishes for the Inventors to execute this Assignment as confirmation of Globe's ownership;

WHEREAS the Inventors acknowledges Globe's ownership of the invention and application identified herein by virtue of the Inventors employment by Globe;

AND WHEREAS Toro wishes to acquire, and/or memorialize the prior receipt of, the certain rights described herein from Globe and/or the Inventors.

In consideration of the foregoing, the Inventors, in the course of their normal duties as employees of Globe, have, along with Philip C. Dretzka, invented a new, original, and ornamental design for

DEBRIS BLOWER

Filed: 27 Dec 2019

U.S. Design Patent Application No.: 29/718,711

and filed the above-identified Design Patent Application of the United States of America based thereon.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Inventors have agreed to assign and transfer and do hereby assign and transfer unto Globe, its successors and assigns, the Inventors' entire right, title, and interest in and to the ornamental design and the identified U.S. Design Patent Application, and in and to any division or continuation (in whole or in part) of the U.S. Design Patent Application, and in and to any and all Design Patents, reexaminations, reissues, or extensions thereof, of the United States of America (including the right to apply for such U.S. Design Patents in its own name and to claim any priority rights for such applications to which such applications are entitled), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further U.S. design patent application based in whole or in part upon said ornamental design, to be held and enjoyed as fully and exclusively as they would have been by the Inventors had this Assignment and transfer not been made;

Des. Pat. Application No. 29/718,711

Docket No. 0206.000222US01

Filed: 27 Dec 2019

Title: DEBRIS BLOWER

Further, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Globe has agreed to assign and transfer and does hereby assign and transfer unto Toro, its successors and assigns, Globe's entire right, title, and interest in and to the ornamental design and the identified U.S. Design Patent Application, and in and to any division or continuation (in whole or in part) of said U.S. Design Patent Application, and in and to any and all Design Patents, reexaminations, reissues, or extensions thereof, of the United States of America (including the right to apply for such U.S. Design Patents in its own name and to claim any priority rights for such applications to which such applications are entitled), which have been or may be granted thereon or on any divisional, continuation (in whole or in part), renewal, reexamination, reissue, or other or further U.S. design patent application based in whole or in part upon said ornamental design, to be held and enjoyed as fully and exclusively as they would have been by Globe had this Assignment and transfer not been made;

Each Inventor (and his/her heirs, executors, and administrators) and Globe (and its successors and assigns) further agree, that they, individually and/or collectively, will, without further consideration but at the expense of Toro (except that Toro shall not incur expenses for the performance of minor ministerial tasks), execute and deliver any further applications, assignments, and documents, and perform such other acts as the Inventors and Globe lawfully may, that may be deemed necessary by Toro, its successors, and assigns, fully to secure Toro's right, title, and interest as aforesaid and to obtain, maintain, and enforce U.S. Design Patents resulting from this application;

And the Inventors and Globe do hereby authorize and request the U.S. Commissioner of Patents to issue any and all Design Patents which may be granted upon any of said applications, to The Toro Company or its successors, assigns, and nominees as the assignee of the entire right, title, and interest therein.
