NOTICE OF RELEASE OF
SECURITY INTEREST IN PATENTS

This NOTICE OF RELEASE OF SECURITY INTEREST IN PATENTS (this "Release"), effective as of June 21, 2021 is made by PBLM ADVT LLC, a Delaware limited liability company ("Secured Party"), in favor of NRI R&D PATENT LICENSING, LLC, a Texas limited liability company ("Releasee").

WITNESSETH:

WHEREAS, the Releasee previously executed and delivered the Security Agreement Supplement to the Security Agreement between Advanced Touchscreen and Gesture Technologies and Secured Party dated November 9, 2015 and the Patent Security Agreement, dated as of September 7, 2017, each in favor of the Secured Party (the "Security Agreements");

WHEREAS, pursuant to the Security Agreements, the Releasee pledged and granted to the Secured Party a lien on and continuing security interest in specified patents of Releasee;

WHEREAS, the Releasee desires to assign its right, title and interest to the patents specified on Schedule A attached hereto (the "Assigned Patents") to SB SOLUTIONS, INC. (the "Assignee");

WHEREAS, the Secured Party agrees to release its security interests in the Assigned Patents;

WHEREAS, the Security Party does not release its security interest in any patents or assets other than the Assigned Patents; and

WHEREAS, the Secured Party has duly authorized the execution, delivery and performance of this Release.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Secured Party agrees, for the benefit of the Releasee, as follows:

SECTION 1. Release of Security Interest. The Secured Party does hereby release, relinquish and discharge its lien on and security interest in the Assigned Patents.

SECTION 2. Right to Receive Proceeds. Notwithstanding Section 1, nothing in this Release shall cause a release of either (a) any rights of Releasee with respect to any proceeds from the Assigned Patents or (b) any security interest of Secured Party in any patents or assets other than the Assigned Patents. For the avoidance of doubt, Secured Party shall not have any interest in any proceeds received by the Assignee, but Secured Party shall have a security interest and lien in and to any proceeds or other consideration which Releasee receives or is entitled to receive from any of the Assignee in respect of the Assigned Patents. Releasee acknowledges and agrees that the Secured Party retains a valid security interest in all patents and other assets in which Releasee has granted a security interest other than the Assigned Patents, including any rights of Releasee with respect to any proceeds of the Assigned Patents as set forth above.

Error! Unknown document property name.

SECTION 3. Choice of Law. This Release shall be governed by, and construed in accordance with, the laws of the State of New York.
