described in an application

Executed by us of even date herewith and about to be filed

or

Application No. 14/455,394, filed on August 8, 2014

This application claims the benefit of the following provisional application(s):

Provisional Application No. 61/078695, filed on July 7, 2008

in the United States Patent and Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue or other applications based in whole or in part thereon. And we agree, for ourselves and our executors and administrators, with said Limited Liability Company and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deed or other instrument, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said Limited Liability Company, with specifications and claims in such form as shall be approved by the counsel of said Limited Liability Company and to vest and confirm in said Limited Liability Company, its successors and assigns, the legal title to all such patents.

And we do hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said Limited Liability Company, its successors and assigns.

And we do further hereby grant the attorneys/agents of Nelson Mullins Riley & Scarborough LLP, the power to insert on this Assignment the filing date and/or application number of said application.
