ASSIGNMENT

For good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged,

Conveying Party(ies):

GrubHub, Inc., 111 W. Washington St., Suite 2100, Chicago, Illinois 60602, U.S.A.

incorporated in the State of Delaware and owner of U.S. national patent applications, international/PCT patent applications and foreign patent applications listed in the list attached hereto as Exhibit A (the "Application(s)"), and U.S. national patents and foreign patents listed in the list attached hereto as Exhibit B (the "Patent(s)")

The undersigned hereby sell(s), assign(s), and set(s) over to:

Name of Assignee(s); Receiving Party(ies):

GrubHub Holdings, Inc.

Address of principal place of business

111 W. Washington St., Suite 2100, Chicago, Illinois 60602, U.S.A.

Incorporated in the State of Delaware

(hereinafter designated as the Assignee) their entire right, title and interest in, to and under the Application(s) throughout the world, including all priority rights for the United States and other countries arising therefrom, all inventions therein disclosed, and any and all Letters Patent of the United States and all other countries, which may be granted for such inventions, or any of them, all such inventions all rights in such Application(s) and Letters Patent to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made.

The undersigned agree(s) to execute all papers necessary in connection with the Application(s) in the United States and counterpart applications in foreign countries and any continuing, divisional, or reissue applications thereof, and any reexamination of any such

Applications, and also to execute separate assignments in connection with such Applications as the Assignee may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference or derivation proceeding which may be declared, or litigation concerning the Application(s), U.S. national counterparts thereof, or continuation(s), division(s), reissue(s), reexamination(s) therefor, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference, derivation proceeding, or litigation.

The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agree(s) to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue any and all Letters Patent of the United States resulting or following from said Application(s) or any division or divisions or continuing or reissue applications thereof, and any reexamination of any of such applications, to the said Assignee, as Assignee of the entire interest, and hereby covenants that the undersigned has full right to convey the interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby assigns to Assignee their entire right, title and interest in, to and under the Patent(s) throughout the world for the entire term of the Patent(s) and any reissues or extensions and for the entire terms of any patents, reissues or extensions that may issue from foreign applications, divisions, continuations in whole or part or substitute applications filed claiming the benefit of the Patent(s). The right, title and interest conveyed in this Assignment is to be held and enjoyed by Assignee and Assignee's successors as fully and exclusively as it would have been held and enjoyed by

Assignor had this assignment not been made.

The undersigned further agree(s) to: (a) cooperate with Assignee in the protection of the patent rights and prosecution and protection of foreign counterparts; (b) execute, verify, acknowledge and deliver all such further papers, including patent applications and instruments of transfer; and (c) perform such other acts as Assignee lawfully may request to obtain or maintain the Patent(s) and any and all applications and registrations for the invention in any and all countries.

IN WITNESS WHEREOF, I have executed this assignment this 16th day of December, 2014.

Assignor's Signature

Name: Jonathan Zabusky
