ASSIGNMENT

WHEREAS, **Spectrum Therapeutics GmbH**, whose full post address is Kerschensteiner Strasse 11-15, 92318 Neumarkt, GERMANY (hereinafter referred to as the "Assignor"), has obtained the entire right, title and interest in and to the inventions and discoveries disclosed in:

- United States Patent No. 8,895,078;
- United States Patent Application No. 14/276,165; and
- United States Patent Application No. 16/911,716.

each entitled METHOD FOR PRODUCING AN EXTRACT FROM CANNABIS PLANT MATTER, CONTAINING A TETRAHYDROCANNABINOL AND A CANNABIDIOL AND CANNABIS EXTRACTS (hereinafter collectively referred to as the "Invention");

AND WHEREAS, **Canopy Growth Corporation**, whose full post office address is 1 Hershey Drive, Smiths Falls, Ontario, K7A 0A8, CANADA (hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title, and interest in and to the Invention, and any improvements thereto, inclusive of any and all priority rights derived therefrom for any and all countries in the world; and in and to any and all Letters Patent issuing in any and all countries in the world, to be granted for the Invention, and any improvements thereto;

NOW, THEREFORE, in consideration and recognition of the foregoing premises, and for the sum of One Dollar (\$1.00), and other good and valuable consideration monetary and non-monetary, the receipt and sufficiency of which is hereby acknowledged by the Assignee, the Assignor does hereby sell, assign, transfer, and set over absolutely unto the Assignee, its successors and assigns, its entire and exclusive right, title, and interest in and to:

- (a) the Invention and any improvements thereto, worldwide;
- (b) any and all patent applications for the Invention, and any improvements thereto, in any and all countries in the world, including the application(s) identified herein and any divisions, extensions, continuations, continuations-in-part, provisionals, non-provisionals, substitutions and renewals thereof and all priority rights derived therefrom, as well as any and all patent applications and any divisions, extensions, continuations, continuations-in-part, provisionals, non-provisionals, substitutions and renewals thereof filed in any country claiming priority from the application(s) identified herein,

(c) all Letters Patent which are, or may be, granted therefor in any and all countries in the world, including the patent(s) identified herein, and in and to any and all renewals, extensions, reissues, re-examinations, substitutions, or prolongations thereof; and

(d) the exclusive right to bring or participate in any proceeding for infringement or any other actionable right under all of the foregoing and to receive all remedies that arise therefrom, to the end of the term for which said Letters Patent may be granted;

the same to be held and enjoyed by the Assignee, its successors and assigns, to the full end of the term or terms for which said Letters Patent, or renewals, extensions, reissues, re-examinations, substitutions, or prolongations thereof may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor;

AND, the Assignor hereby agrees that, upon request, and without further consideration, but at the expense of the Assignee, it will communicate to the Assignee or its representatives or nominees any facts known to it respecting the Invention, and any improvements thereto, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, reissue and other applications, make all rightful oaths and generally aid the Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection that may arise from the Invention, and any improvements thereto, in all countries, and we further agree to execute any and all further papers which may be necessary or desirable to vest or perfect the title of the Assignee, its successors and assigns, in and to the Invention, and any improvements thereto, and in and to any and all patent applications for the Invention, and any improvement thereto, and in and to any and all Letters Patent therefrom, or any renewals, extensions, reissues, re-examinations, substitutions, or prolongations thereof, which may be granted upon application in any and all countries in the world;

AND, the Assignor hereby authorizes and requests any official whose duty it is to issue patents, to issue each and every Letters Patent to be granted upon the Invention and any and all patent applications for the Invention, including any improvements thereto, in any and all countries, and each and every renewal, extension, reissue, re-examination, substitution, or prolongation of said Letters Patent, to the Assignee, its successors and assigns, as the assignee of our entire right, title and interest therein, in accordance with this assignment.

The undersigned Assignors hereby authorizes the firm of Gowling WLG (Canada) LLP (and any successor entities) to correct errors in this Assignment or to insert any further identification or other information necessary or desirable to make this Assignment suitable for recordal in any country.
