ASSIGNMENT

WHEREAS, I, David W. Wright (hereinafter referred to as Assignor), residing at 10641 West Indore, Littleton, CO 80127, have invented new and useful improvements in:

**DISPOSABLE, FLUID ACTUATED, MECHANICALLY DRIVEN POINT-OF-CARE
INVITRO-DIAGNOSTIC APPARATUS AND METHOD OF PERFORMING A POINT-
OF-CARE INVITRO-DIAGNOSTIC TEST**

which is set forth in an application in the United States having an application serial number (14/745,034) filed on June 19, 2015 and issued as a United States patent having US patent number (US 9,802,191) on October 31, 2017, and in a divisional application having an application serial number (15/718,258) filed on September 28, 2017 and issued as a United States patent having US patent number (US 9,931,631) on April 3, 2018:

AND WHEREAS, Wi, Inc., having an address at, 12503 East Euclid Drive, Suite 6, Centennial, CO 80111, is desirous of acquiring the entire right, title and interest in and to said invention and said application for Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor has assigned, sold and set over, and by these presents assign, sell and set over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said invention, said application for Letters Patent, including the right to file foreign patent applications corresponding to said application, and the right to claim the priority date of said United States patent application and any legal equivalents thereof, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or re-issues or extensions or substitutions or renewals of said Letters Patent or Patents prepared and executed by Assignor on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignor had this Assignment and sale not been made.

I hereby authorize and request the Patent Office Officials in the United States and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of our entire right, title and interest in and to the same, for the sole use and right of the Assignee, its successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by us had this Agreement and sale not been made.

Further, I agree that I will communicate to the Assignee or its representatives any facts known to us respecting the invention, and will testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and generally do everything possible to aid the Assignee, its

successors and assigns, to obtain and enforce proper protection for the invention in the United States and in any foreign countries.

AND, the undersigned hereby grants the firm of Dickinson Wright PLLC and its attorneys the power to insert on this assignment any further identification, including the application number and filing date, which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
