## **ASSIGNMENT**

WHEREAS, **CerSci Therapeutics, Inc.**, a corporation located at 1601 Elm Street, Floor 33, Dallas, TX 75201, USA (hereinafter referred to as the "Assignor"), is the owner of certain inventions or improvements as set forth and described in the application for Letters Patent of the United States, identified as U.S. Patent Application No. **16/417,300**, filed **May 20, 2019**, entitled:

### **COMPOUNDS FOR PAIN TREATMENT, COMPOSITIONS COMPRISING SAME, AND METHODS OF USING SAME**

WHEREAS, **Acadia Pharmaceuticals Inc.**, a corporation located at 12830 El Camino Real, Suite 400, San Diego, CA 92130, USA (hereinafter referred to as the "Assignee"), is desirous of acquiring the entire right, title and interest in and to the said inventions or improvements and in and to the said application, and in, to and under any and all Letters Patent that may be granted on or as a result thereof in any and all countries:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the said Assignor, intending to be legally bound, has assigned, transferred and set over, and by these presents does hereby assign, transfer and set over to said Assignee, the entire right, title and interest in and to said inventions or improvements and the above-identified application, including the right to claim priority therefrom, and any and all continuations, divisions and renewals of and substitutes for said application or any other application based in whole or in part thereon and in, to and under any and all Letters Patent that may be granted on or as a result thereof in the United States and any and all other countries and under any international treaty, and any reissue or reissues or extension or extensions of said Letters Patent, and assign to and authorize said Assignee, to file for Letters Patent in all countries and under any international treaty, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and transfer not been made.

AND Assignor hereby covenants that it has the full right to convey the entire interest herein assigned, and that Assignor has not executed and will not execute any agreement in conflict herewith, and Assignor further covenants and agrees that Assignor will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said application and said Letters Patent to said Assignee, its successors, assigns, nominees or legal representatives, and Assignor agrees to communicate to said Assignee, or to its nominee all known facts respecting said inventions or improvements, said application and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said Assignee, its successors, assigns, nominees and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

AND Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to said Assignee, as assignee of the entire right, title and interest, any and all Letters Patent for said inventions or improvements,

including any and all Letters Patents of the United States that may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this assignment.
