## ASSIGNMENT

WHEREAS, **Bayernwerk AG**, a corporation having a place of business at **Lilienthalstraße 7, Regensburg, Germany 93049** (hereinafter referred to as the "Assignor") is an assignee of record of the inventions listed in "Table A"; and

WHEREAS, **Bayernwerk Netz GmbH**, a corporation having its principal office at **Lilienthalstraße 7, Regensburg, Germany 93049** (hereinafter referred to as the "Assignee") desires to acquire the entire interest in the same;

NOW, THEREFORE, for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor, hereby does assign and transfer unto Assignee, Assignor's entire right, title and interest in and to the patents and the applications listed in "Table A" throughout the world, including, without limitation, any letters patent which may issue thereon, and any subsequent application claiming priority to the above-identified application under reissue, reexamination, division, continuation-in-part, extension or continuation thereof and all rights of priority under international conventions arising from said applications; the same for its legal representatives and assigns, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made;

AND, Assignor hereby binds itself, legal representatives, employees, successors and assigns to properly execute, without further consideration other than in reimbursement of directly related, reasonable expenses, any and all applications, petitions, oaths and assignments or other papers and instruments which may be necessary in order to perfect title in the patents and applications and carry into full force and effect, the sale, assignment, transfer and conveyance hereby made or intended to be made and generally do everything possible to aid Assignee, its legal representatives, successors and assigns, to obtain proper protection for the inventions in all countries throughout the world, including to communicate to Assignee, its representatives or agents, any facts relating to the inventions, the patents or applications, including evidence for purposes of interference, opposition; and execute and deliver, on request, all lawful papers required to make any of the foregoing provisions effective.

Assignor hereby authorizes and requests the issuing authority to record this assignment of the patents and applications in "Table A" and to issue any and all patents on said applications to Assignee, as assignee of the entire interest in such patents.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date shown below.
