ASSIGNMENT OF APPLICATION

Whereas, I, <u>Howard Andrew Buchanan,</u> an individual, hereafter referred to as "Applicant", have invented and are otherwise the owners of certain new and useful improvements in

ARROWHEAD

for which a U.S. Patent Application was filed on was filed on <u>January 5, 2020</u> and received application number <u>16/734,342</u>.

Applicants hereby states that I have reviewed and understand the contents of the above-identified application, including the claims. I acknowledge my duty to disclose information which is material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications filed subsequently, material information which becomes available between the filing date of the above-identified application and the US national utility application filing date or PCT international filing date, which claims priority to this above-identified application.

Whereas, CenterCross Archery LLC, a limited liability company organized and existing under the laws of the State of North Carolina, United States of America, herein referred to as "Assignee", whose mailing address is 535 Micaville Loop, Burnsville, North Carolina, 28714, U.S.A., is desirous of acquiring the entire right, title and interest in the above-identified application and all applications that claim priority from it.
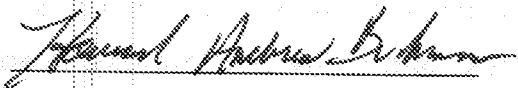

I, the Applicant, state that I have by various agreements and understandings an obligation to assign to said Assignee. Now, therefore, in consideration of the sum of <u>ONE</u> dollar (US$1), the receipt whereof is acknowledged, and other good and valuable consideration received (effective as of the filing date), I, the

Applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said invention in the United States and the entire rights, title and interest in and to any and all Patents (including but not limited to provisionals, continuations, divisionals, continuation-in-part, reissues, patent extensions, and any other kinds of patents and the global counterpart applications that claim priority from this application, including PCT applications) which may be granted therefore in the United States and the global foreign counterpart applications that claim or derive priority from this application.

I hereby authorize and request the Commissioner for Patents of the U.S. Patent and Trademark Office to issue said United States Patent(s) to said Assignee, of the entire right, title and interest in and to same, for its sole use and benefit; and for the use and benefit of its legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.
