ASSIGNMENT OF PATENT RIGHTS

For good and valuable consideration, the receipt of which is hereby acknowledged, R2 Solutions, LLC, a Texas limited liability company ("Assignor"), does hereby assign, transfer and convey unto Pinterest, Inc., a Delaware corporation ("Assignee"), all of Assignor's entire right, title and interest in and to (a) all patents and patent applications listed in the attached Exhibit 1 (the "Listed Patents"), including, to the extent owned or assignable by Assignor, (b) all patents and patent applications (including any patents and patent applications that are national, foreign, international or multinational counterparts to any of the Listed Patents) to which any of the Listed Patents claims priority, (c) all patents and patent applications (including any patents and patent applications that are national, foreign, international or multinational counterparts to any of the Listed Patents) that claim priority to any of the Listed Patents, (d) all patents and patent applications that issue from or are continued prosecutions, continuations, continuations-in-part, or divisions of any of the patents and patent applications in "(a)" through "(c)", (e) all patents and patent applications that arise from any corrections, substitutions, extensions, renewals, reissues, re-examinations, post grant review, or inter partes review of any of the foregoing patents and patent applications in "(a)" through "(d)", and (f) all inventions, invention disclosures, and discoveries described in any of the foregoing capable of being claimed in any patent claim issued from any of the foregoing (collectively "Patent Rights").

Assignor further agrees to and hereby does sell, assign, transfer and convey unto Assignee all rights (i) in and to causes of action and enforcement rights for the Patent Rights, including all rights to pursue damages, injunctive relief and other remedies for past, present and future infringement of the Patent Rights, (ii) the right to apply (or continue prosecution) in any and all countries of the world for patents, design patents, utility models, certificates of invention or other governmental grants for the Patent Rights, including under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperation Treaty, or any other convention, treaty, agreement or understanding, and (iii) the rights, if any, to revive prosecution of any abandoned Patent Rights.

Assignor also hereby authorizes the respective patent office or governmental agency in each jurisdiction to issue any and all patents or certificates of invention or equivalent which may be granted upon any of the Patent Rights in the name of Assignee, as the assignee to the entire interest therein.

The terms and conditions of this Assignment shall inure to the benefit of Assignee, its successor and other legal representatives, and shall be binding upon Assignor, its successor, assigns and other legal representatives.

IN WITNESS WHEREOF, this Assignment of Patent Rights is executed on Aug 5, 2014
