WHEREAS, Electrolux Professional S.P.A. (hereinafter referred to as "Assignee"), which is a società per azioni (private limited company) formed under the laws of Italy with a principal place of address of Viale Treviso 15, 33170 Pordenone, Italy (including its successors and assigns), desires to acquire my entire right, title, and interest in and to said application and the invention(s) and improvements(s) therein disclosed, for the United States and all divisions, continuations, continuation-in-parts, reissues, renewals and/or extensions thereof;

the invention(s) and improvements(s) therein disclosed, for the United States and all divisions, continuations, continuation-in-parts, reissues, renewals and/or extensions thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign, transfer and set over unto Assignee the entire right, title and interest in and to said application and the invention(s) and improvement(s) therein disclosed for the United States of America, and any Letters Patent which may issue therefor in the United States of America, and all divisions, continuations, continuation-in-parts, reissues, renewals and/or extensions thereof, the Assignee to have and to hold the interests herein assigned to the full ends of the terms of said Letters Patent and any and all divisions, continuations, reissues, renewals and/or extensions thereof, respectively, as fully and entirely as the same would have been held and enjoyed by me had this assignment not been made.

The undersigned further agrees to execute all papers necessary in connection with this application and any divisions, continuations, continuation-in-parts, reissues, renewals and/or extensions thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned also grants the law firm of Stites & Harbison, PLLC the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document, including serial numbers and filing dates above.
