ASSIGNMENT

WHEREAS, I, ROBERTO MICHELE PIATTI of Moncalieri (Turin), Italy ("Assignor"), is the inventor of an invention/design entitled "ELECTRIC MOTORCYCLE" that is the subject matter of:

- a U.S. application for Design Patent which claims priority to Vietnamese Design Application No. 3-2018-00271 filed on February 02, 2018.
- a U.S. application for Letters Patent which is a Continuation-in-Part of U.S. Patent Application No 28/658,634 filed on August 1, 2018.
- an application for Design Patent which is identifiable in the Patent Office of the U.S by Application No. 29/690,046 filed on May 3, 2019;

WHEREAS, TORINO DESIGN SRL, a company organized and existing under the laws of Italy ("Assignee"), and having offices at Strada Genova 214, 10024 Moncalieri (Turin), Italy is desirous of acquiring the entire right, title and interest in and to the invention/design, the applications, and any and all Letters Patent and Registered Designs and similar foreign and domestic legal protection

- in the United States
 in all other countries or jurisdictions;

NOW THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged,

- a) Assignor agree to transfer, and
b) Assignor do hereby transfer,

to Assignee, its successors and assigns, effective as of February 02, 2018, *nunc pro tunc*, Assignor's entire right, title and interest in the above-named countries and jurisdictions in and to the following including the right to sue for past infringement: the invention/design, the above-identified applications, all applications from which any of the above-identified applications claim priority, corresponding U.S. and non-U.S. applications, any continuation, continuation-in-part, division, renewal, or substitute for the applications, all Letters Patent for the applications, all Registered Designs for the applications, any reissue, re-examination, or similar legal protection issuing related to the Letters Patent or Registered Design, and all rights and benefits under any applicable treaty or convention, and Assignor authorize the Director of the United States Patent and Trademark Office or foreign equivalent to issue the Letters Patent or Registered Design or similar legal protection to the Assignee.

Assignor authorize the U.S. attorneys handling the above application(s) or patent(s) for the invention/design and the Assignee, its successors and assigns, to insert in this instrument filing date(s), and application and patent number(s) when ascertained, for the above applications and patents and to insert any necessary missing titles. Assignor further authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection in its own name if desired, in the above-named countries and jurisdictions and appoint Assignee the common representative in the above-identified international application and any international application for the invention/design.

Assignor represent to the Assignee, its successors and assigns, that Assignor will not execute any writing or do any act whatsoever conflicting with this Assignment. Assignor, its executors or administrators, will at any time upon request, without additional consideration, but at the reasonable expense of the Assignee, its successors and assigns, execute and deliver to Assignee or its legal representatives such

additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or Registered Design and similar legal protection on the invention/design in any and all countries and jurisdictions, including without limitation providing testimony in any related interference, litigation or proceeding. To the extent that Assignor, its executors or administrators are unable or unavailable to execute and deliver to Assignee or its legal representatives such additional writings and do such additional acts as Assignee, its successors and assigns may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention/design in any and all countries and jurisdictions, Assignor, our executors or administrators hereby authorize Assignee, its successors and assigns to act on Assignor's behalf.

If any provision of this Assignment is held unenforceable or in conflict with the law of any jurisdiction, the validity of the remaining provisions will not be affected by such holding and the part held unenforceable in or in conflict with the law of one jurisdiction will remain in effect for other jurisdictions until held unenforceable or in conflict with the law of that jurisdiction.
