**ASSIGNMENT**

FOR THE SUM OF ONE DOLLAR (\$1.00) AND OTHER GOOD AND VALUABLE CONSIDERATION, THE RECEIPT AND ADEQUACY OF WHICH IS HEREBY ACKNOWLEDGED, I/We:

**Alexander I. Poltorak**, 128 W. Maple Avenue, Monsey, NY 10952 (hereinafter “Assignors”) hereby sell, assign, and transfer, and agree in the future to sell, assign, and transfer, unto:

**Neuroenhancement Lab, LLC**, 75 Montebello Park, Suffern, NY 10901, (hereinafter “Assignee”), its successors, assigns and designees,

the entire right, title, and interest in and to, and any right I now have or have ever had or will have in our application for Letters Patent of the United States and to any information disclosed in my/our invention entitled:

**DEVICE, SYSTEM, AND METHOD FOR REDUCING CORONASOMNIA TO ENHANCE IMMUNITY AND IMMUNE RESPONSE**

Filed March 30, 2021, Application Serial Number \_\_\_\_\_, which claims priority from and is a Continuation-in-Part of U.S. Patent Application No. 16/883,541, filed May 26, 2020, a Non-provisional of U.S. Provisional Patent Application No. 62/862,656, filed June 17, 2019, and a Non-provisional of U.S. Provisional Patent Application No. 62/852,877, filed May 24, 2019,

and our entire right, title, and interest in and to all our inventions, whether joint or sole, disclosed in said Application for Letters Patent and/or disclosure of the Application for Letters Patent, and our entire right, title, and interest in and to all provisional patent applications, regular utility applications, design patent applications, divisional or continuation applications, continuation-in-part applications, reissue patent applications, or applications for reexamination that may be filed for or relating to any United States Letters Patent for any of said inventions, and any patent or patent application inside or outside the United States claiming direct or indirect benefit of priority of this application or any other application assigned herein, and in and to all patents or other enforceable intellectual property rights that may be granted on or from the foregoing applications, and the sole right to claim benefit of priority from any of the foregoing in the United States or in foreign countries, and all right title and interest in any patent which may issue respecting such priority claim (hereinafter “The Assigned Rights”).

I/We agree that Assignee shall have the authority and power to prosecute any such applications in its own name, and to transfer or delegate any such rights without further consent from us,

I/We hereby agree, whenever requested, to communicate to said assignee, its successors and assigns, any facts known to us respecting said inventions or applications, to cooperate fully in obtaining and enforcing any such patents, and to execute all applications or papers necessary to obtain and maintain proper patent protection on said inventions.

I/We grant to Assignee and its agents a Power of Attorney to insert on this Document any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

I/We hereby warrant and represent that Assignors have the right to transfer the entire right, title and interest in the foregoing to Assignee free of encumbrances, and do hereby transfer

that right, title and interest to Assignee, and otherwise waive any rights I/We may have as inventors, including any economic rights and any reversionary rights, in any jurisdiction, to the extent permitted by law.

I/We hereby terminate any inconsistent prior assignment or other grant of rights in any of the foregoing that may currently exist.

I/We also transfer any and all right to sue, in Assignee's own name, for infringement of any patents which result from any such patent applications, and to collect damages, fees, and expenses, for any such infringement, past, present, or future, without any reporting or accounting to me/us.

I/We hereby request the Director of the United States Patent Office to issue said Letters Patent of the United States to Assignee, for the sole use and benefit of Assignee, its successors, legal representatives and assigns.

I/We also hereby grant to Assignee, its successors, assigns and designees, a Power of Attorney with respect to the Assigned Rights, including but not limited to the Application for Letters Patent and all of the foregoing patent applications and patents relating to or arising out of that application, including without limitation all such United States and Foreign patent applications, and agree to execute all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and applications for Letters Patent for said inventions, without charge to Assignee, its successors, legal representatives and assigns, upon reasonable request.

To the extent that I/we retain, or may in the future obtain, any right or interest in the application, I hereby appoint customer no. 90150 TULLY RINCKEY PLLC, 777 Third Avenue, New York, NY, 10017 [(914) 500-8561], Steven M. Hoffberg - Reg. No. 33,511, and the members of the firm, as attorneys with full power of substitution and revocation to prosecute this application, to transact all business in the Patent & Trademark Office connected therewith and to receive all correspondence.

The validity, construction, and performance of this Assignment are governed by the laws of the state of New York, and any disputes not seeking equitable relief shall be resolved solely by courts within its borders, and I/we agree to consent to the jurisdiction of such Courts.

#### **DECLARATION**

As a below named inventor, I hereby declare that the above-identified application was made or authorized to be made by me. I/We hereby authorize Assignee to make the application on my/our behalf. I believe I am the original inventor or an original joint inventor of a claimed invention in the application. I hereby acknowledge that any willful false statement made in the foregoing declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
