ASSIGNMENT

4SIGHT INC. ("ASSIGNOR"), having a principal place of business at 135 W. 41st Street, Floor 5, New York, New York, 10036, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign to KRAFT FOODS GROUP BRANDS LLC ("ASSIGNEE"), having a principal place of business at 200 E. Randolph Street, Suite 7600, Chicago, Illinois, 60601, United States of America, its successors, assigns and legal representatives, the entire right, title and interest, in and to all subject matter owned by it and disclosed in the patent application entitled

RECLOSABLE PACKAGING

having U.S. Patent Application Number 29/672,931, filed December 10, 2018; and in and to all patent and all patent convention and treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any continuation, continuation-in-part, and divisional application therefrom, and any reissue or re-examination as to any patent issuing therefrom, and every priority right that is or may be predicated upon or arise from said subject matter, said inventions, or said discoveries, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements.

Assignor agrees that on request and without further consideration, Assignor will communicate to Assignee or its representatives or nominees any facts known to Assignor respecting the inventions and improvements and testify in any legal

proceeding, make all rightful oaths, sign all lawful papers, and execute all instruments or documents required or requested for the making and prosecution of any applications for any type of patent, utility model, or other similar rights in all countries including, but not limited to, any provisional, non-provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, for any derivation proceedings relating thereto, and, as to any patents that issue from such applications, for any supplemental examination, derivation proceeding, opposition, post grant review, reissue, re-examination, *inter partes* review, or extension thereof, and generally do everything possible to aid Assignee, its successors, assigns, and nominees to obtain and enforce proper patent protection for the invention and its improvements in all countries.
