**PATENT APPLICATION**  
**Corrective and Confirmatory Assignment**

WHEREAS, an Assignment from Nikolai Kley to Orionis Biosciences, Inc. was executed on December 11, 2018 and recorded at the U.S. Patent and Trademark Office on May 10, 2019, in error.

WHEREAS, Nikolai Kley was to instead assign to Orionis Biosciences NV.

WHEREAS, Nikolai Kley wishes to correct the record as to the assignment chain of title.

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I, the undersigned, inventor:

**NIKOLAI KLEY**

have created a certain invention(s) for which an application for United States Letters Patent entitled “**THERAPEUTIC TARGETING OF NON-CELLULAR STRUCTURES**”, was filed at the U.S. Patent and Trademark Office on **November 13, 2018** and assigned U.S. Patent Application No. **16/301,299**;

Have sold, assigned and transferred to **Orionis Biosciences NV, a corporation having a place of business at Rijvisschestraat 120, B-9052 Zwinjaarde, Belgium**, its successors, assigns, and legal representatives, the full and exclusive right to said invention and said application and to any and all inventions described in said invention and said application and to any and all inventions described in said application for the United States, its territorial possessions and all foreign countries, and the entire right, title and interest in and to any and all Letters Patent which may be granted therefor in the United States, its territorial possessions and all foreign countries; and in and to any and all provisionals, continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, and all other applications for Letters Patent relating thereto which have been or shall be filed in the United States, its territorial possession and/or any foreign countries, and all rights, together with all priority rights, under any of the international conventions, unions, agreements, act, and treaties, including all future conventions, unions, agreements, acts, and treaties;

Agreed that **Orionis Biosciences NV**, hereinafter referred to as Assignee, may apply for and receive Letters Patent for said invention and said inventions, hereinafter referred to as said invention, in its own name, in the United States, its territorial possessions, and all foreign countries; and that, when requested to carry out in good faith the intent and purpose of this assignment, at the expense of said Assignee, its successors, assigns and legal representatives, the undersigned will execute all continuations-in-part, continuations, divisions, substitutes, reissues, extensions thereof, execute all rightful oaths, assignments, powers of attorney and other papers, testify in any legal or quasi legal proceedings; communicate to said Assignee, its successors, assigns or legal representatives all facts known to the undersigned relating to said invention and the history thereof; and generally do everything possible which said Assignee, its successors, assigns, or legal representatives shall consider desirable for aiding in securing, maintaining and enforcing proper patent protection for said invention and for vesting title to said invention and all

applications for patents on said invention in said Assignee, successors, assigns, or legal representatives; and

Covenanted with said Assignee, its successors, assigns, or legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same has herein expressed is possessed by the undersigned.

Assignor(s) hereby grant(s) the following individuals the power to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document:

**MORGAN, LEWIS & BOCKIUS LLP.**
