Guidelines for Completing Patents Cover Sheets (PTO-1595)

Cover Sheet information must be submitted with each document to be recorded. If the document to be recorded concerns both patents and trademarks separate patent and trademark cover sheets, including any attached pages for continuing information, must accompany the document. All pages of the cover sheet should be numbered consecutively, for example, if both a patent and trademark cover sheet is used, and information is continued on one additional page for both patents and trademarks, the pages of the cover sheet would be numbered from 1 to 4.

Item 1. Name of Conveying Party(ies).

Enter the full name of the party(ies) conveying the interest. If there is insufficient space, enter a check mark in the "Yes" box to indicate that additional information is attached. The name of the additional conveying party(ies) should be placed on an attached page clearly identified as a continuation of the information Item 1. Enter a check mark in the "No" box, if no information is contained on an attached page. If the document to be recorded is a joint research agreement, enter the name(s) of the party(ies) other than the owner of the patent or patent application as the conveying party(ies).

Item 2. Name and Address of Receiving Party(ies).

Enter the name and full address of the first party receiving the interest. If there is more than one party receiving the interest, enter a check mark in the "Yes" box to indicate that additional information is attached. Enter a check mark in the "No" box, if no information is contained on an attached page. If the document to be recorded is a joint research agreement, enter the name(s) of the patent or patent application owner(s) as the receiving party.

Item 3. Nature of Conveyance/Execution Date(s).

Enter the execution date(s) of the document. It is preferable to use the name of the month, or an abbreviation of that name, in order that confusion over dates is minimized. Place a check mark in the appropriate box describing the nature of the conveying document. If the "Other" box is checked, specify the nature of the conveyance.

Item 4. Application Number(s) or Patent Number(s).

Indicate the application number(s), and/or patent number(s) against which the document is to be recorded. National application numbers must include both the series code and a six-digit number (e.g., 07/123,456), and international application numbers must be complete (e.g., PCT/US91/12345).

Enter a check mark in the appropriate box: "Yes" or "No" if additional numbers appear on attached pages. Be sure to identify numbers included on attached pages as the continuation of Item 4. Also enter a check mark if this Assignment is being filed as an Oath/Declaration (37 CFR 1.63).

Item 5. Name and Address of Party to whom correspondence concerning the document should be mailed.

Enter the name and full address of the party to whom correspondence is to be mailed.

Item 6. Total Applications and Patents Involved.

Enter the total number of applications and patents identified for recordation. Be sure to include all applications and patents identified on the cover sheet and on additional pages.

Block 7. Total Fee Enclosed.

Enter the total fee enclosed or authorized to be charged. A fee is required for each application and patent against which the document is recorded.

Item 8. Payment Information.

Enter the deposit account number and authorized user name to authorize charges.

Item 9. Signature.

Enter the name of the person submitting the document. The submitter must sign and date the cover sheet. Enter the total number of pages including the cover sheet, attachments, and document.

This collection of information is required by 35 USC 261 and 262 and 15 USC 1057 and 1060. The information is used by the public to submit (and by the USPTO to process) patent and trademark assignment requests. After the USPTO records the information, the records for patent and trademarks, assignments, and other associated documents can be inspected by the public. To view documents recorded under secrecy orders or documents recorded due to the interest of the federal government, a written authorization must be submitted. This collection is estimated to take 30 minutes to complete, including gathering, preparing, and submitting the form to the USPTO. Any comments on the amount of time you require to complete this form and/or suggestions for reducing this burden, should be sent to the Manager of the Assignment Division, USPTO, P.O. Box 1450, Alexandria, VA 22313-1450. DO NOT SEND FEES OR COMPLETED FORMS TO THIS ADDRESS. SEND TO: Mail Stop Assignment Recordation Services, Director of the USPTO, P.O. Box 1450, Alexandria, VA 22313-1450.

Privacy Act Statement for Patent Assignment Recordation Form Cover Sheet

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with the above request for information. This collection of information is authorized by 35 U.S.C. 1, 2, 261 and E.O. 9424. This information will primarily be used by the USPTO for the recordation of assignments related to patents and patent applications. Submission of this information is voluntary but is required in order for the USPTO to record the requested assignment. If you do not provide the information required on the cover sheet, the assignment will not be recorded, and all documents will be returned to you.

After the information is recorded, the records and associated documents can be inspected by the public and are not confidential, except for documents that are sealed under secrecy orders or related to unpublished patent applications. Assignment records relating to unpublished patent applications are maintained in confidence in accordance with 35 U.S.C. 122. Records open to the public are searched by users for the purpose of determining ownership for other property rights with respect to patents and trademarks.

Routine uses of the information you provide may also include disclosure to appropriate Federal, state, local, or foreign agencies in support of their enforcement duties and statutory or regulatory missions, including investigating potential violations of law or contract and awarding contracts or other benefits; to a court, magistrate, or administrative tribunal in the course of presenting evidence; to members of Congress responding to requests for assistance from their constituents; to the Office of Management and Budget in connection with the review of private relief legislation; to the Department of Justice in connection with a Freedom of Information Act request; to a contractor in the performance of their duties; to the Office of Personnel Management for personnel studies; and to the General Services Administration (GSA) as part of their records management responsibilities under the authority of 44 U.S.C. 2904 and 2906. Such disclosure to GSA shall not be used to make determinations about individuals.

INVENTION ASSIGNMENT AGREEMENT

This Invention Assignment Agreement (this "Agreement") is made this 22nd day of February, 2021, by and between Cora N. Rodler, Trustee of the Rodler 2020 Revocable Trust D/T/D April 10, 2020 (the "Assignor") and BackRTape, Inc., a California Corporation (the "Assignee"). Assignor and Assignee are collectively referred to as the "Parties" throughout this Agreement.

RECITALS

A. WHEREAS, on October 5, 2015, Micah J. Rodler (the "Inventor") filed a patent application with the United States Patent and Trademark Office (the "USPTO") in which he is listed as the inventor of the **Combination Expansion Joint Strip** (the "Invention") (USPTO Patent Application Number 14/875,138);

B. WHEREAS, on August 30, 2016, a patent was issued by the USPTO in connection with the Invention (United States Patent No. 9,428,917 [the "Patent"]); and

C. WHEREAS, on April 10, 2020, the Inventor established the Rodler 2020 Revocable Trust (the "Trust") with his spouse, Cora N. Rodler, in which the Patent became part of the "trust estate" as defined in the Trust;

D. WHEREAS, the Inventor subsequently passed away, leaving the "trust estate" to be managed by Cora N. Rodler, the sole trustee of the Trust (the "Trustee" or the "Assignor");

E. WHEREAS, having the power, as the sole trustee, to carry out the purpose of the Trust, including the divestment of the assets of the "trust estate" and the purchase or acquisition of corporate stock and other securities, the Trustee concluded it was the highest and best use of the Patent to follow through on the steps previously initiated by the Inventor and assign all right, title, and interest in the Invention and the Patent to Assignee; and

F. WHEREAS, in light of the foregoing, Assignor desires to assign and transfer to Assignee all of Assignor's right, title and interest in and to the Invention, as well as other related rights in the Patent, in exchange for consideration set forth below and other good and valuable consideration.

NOW THEREFORE, in consideration of the mutual promises, covenants, warranties, and other good and valuable consideration set forth herein, and in accordance with applicable law, the Parties hereby agree as follows:

AGREEMENT

1. Assignment. Assignor, pursuant to all rights, duties, powers, and obligations granted to her as the sole trustee of the Trust, hereby assigns to Assignee, and its successors, representatives and assigns, all right, title and interest in the Invention including any and all aspects of the Patent, all reexaminations, extensions and reissues thereof, and any and all copyrights, copyright registrations, moral rights, trade names, trademarks, service marks, domain

names and registrations, trade secrets, know-how, mask work rights, rights in trade dress and packaging, goodwill and all other intellectual property rights and proprietary rights relating in any way to the Invention. Assignor hereby requests the Commissioner of Patents of the United States to record this assignment of all right, title and interest in the Patent to Assignee.

2. Consideration. Assignor enters into this Agreement for the purpose of satisfying her obligations pursuant to that certain Common Share Purchase Agreement dated February 22, 2021, between Assignor and Assignee, a true and correct copy of which is on file at Assignee's corporate office.

3. Assignor's Representations and Warranties. Assignor hereby represents and warrants i) that she has the legal right and authority to execute this Agreement, and to validly assign the entire interest in the Invention and the Patent to Assignee, ii) that she has not executed any other agreement that would conflict with the terms of this Agreement, nor shall she execute any such agreement in the future, and iii) that to the best of her knowledge, the Invention is original. Assignor makes no representations or warranties as to the validity or enforceability of the Patent.

4. Patent Status. Assignee hereby acknowledges that any finding or ruling subsequent to the date of this Agreement that the Patent is invalid or unenforceable shall not give rise to a cause of action against Assignor under this Agreement, unless Assignor has committed fraud in executing this Agreement.

5. Further Actions. Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting Assignee's interest in the Invention and in enforcing any and all protections or privileges deriving from the Invention.

6. Governing Law. This Agreement shall be construed in accordance with, and governed in all respects by, the laws of the State of California, without regard to conflicts of law principles.

7. Counterparts. This Agreement may be executed in any number of counterparts, any of which may be returned by facsimile or by electronic mail with .PDF attachment(s), and each of which shall be deemed an original for all purposes, but all of which taken together shall constitute one and the same agreement.

8. Successors and Assigns. Except as otherwise provided in this Agreement, this Agreement, and the rights and obligations of the parties hereunder, will be binding upon and inure to the benefit of their respective successors, assigns, heirs, executors, administrators and legal representatives.

9. Notices. Any and all notices required or permitted to be given to a party pursuant to the provisions of this Agreement will be in writing and will be effective and deemed to provide such party sufficient notice under this Agreement on the earliest of the following: (a) at the time of personal delivery, if delivery is in person; (b) one (1) day after deposit with an

express overnight courier for United States deliveries, or two (2) days after such deposit for deliveries outside of the United States, with proof of delivery from the courier requested; or (d) three (3) days after deposit in the United States mail by certified mail (return receipt requested) for United States deliveries. All notices for delivery outside the United States will be sent by express courier. All notices not delivered personally will be sent with postage and/or other charges prepaid and properly addressed to the party to be notified at the address set forth below the signature lines of this Agreement, or at such other address as such other party may designate by one of the indicated means of notice herein to the other parties hereto.

10. Titles and Headings. The titles, captions and headings of this Agreement are included for ease of reference only and will be disregarded in interpreting or construing this Agreement.

11. Severability. If any provision of this Agreement is determined by any court or arbitrator of competent jurisdiction to be invalid, illegal or unenforceable in any respect, such provision will be enforced to the maximum extent possible given the intent of the parties hereto. If such clause or provision cannot be so enforced, such provision shall be stricken from this Agreement and the remainder of this Agreement shall be enforced as if such invalid, illegal or unenforceable clause or provision had (to the extent not enforceable) never been contained in this Agreement. Notwithstanding the forgoing, if the value of this Agreement based upon the substantial benefit of the bargain for any party is materially impaired, which determination as made by the presiding court or arbitrator of competent jurisdiction shall be binding, then the Parties agree to substitute such provision(s) through good faith negotiations.

12. Amendment and Waivers. This Agreement may be amended only by a written agreement executed by each of the parties hereto. No amendment of or waiver of, or modification of any obligation under this Agreement will be enforceable unless set forth in a writing signed by the party against which enforcement is sought. Any amendment effected in accordance with this section will be binding upon all parties hereto and each of their respective successors and assigns. No delay or failure to require performance of any provision of this Agreement shall constitute a waiver of that provision as to that or any other instance. No waiver granted under this Agreement as to any one provision herein shall constitute a subsequent waiver of such provision or of any other provision herein, nor shall it constitute the waiver of any performance other than the actual performance specifically waived.

13. Entire Agreement. This Agreement constitutes the entire agreement between Assignor and Assignee, and supersedes any prior understanding or representation of any kind preceding the date of this Agreement. There are no other promises, conditions, understandings or other agreements, whether oral or written, relating to the subject matter of this Agreement.
