ASSIGNMENT

WHEREAS, I/WE,

Paul Viola, residing at **170 Maplewood Ave., Bogota, NJ 07603**,

Ira Sanders, residing at **5 Rye Cliff Rd, Oakland, NJ 07436**, and

Timothy J. Langloss, residing at **1430 Sugartown Rd, Berwyn, PA 19312**,

have made one or more inventions as described, shown, and/or claimed in the following United States provisional or non-provisional patent applications (collectively referred to as “the Applications”):

United States provisional patent application number 63/058,216, entitled **Thin Single Width Chain Saw**, filed on **July 29, 2020**;

United States provisional patent application number 63/085,290, entitled **Thin Single Width Chain Saw**, filed on **September 30, 2020**;

United States provisional patent application number 63/147,033, entitled **Chain Saws and Components for Chain Saws**, filed on **February 8, 2021**;

United States provisional patent application number 63/154,379, entitled **Systems and Methods for Manufacturing Saws and Saw Components**, filed on **February 26, 2021**;

United States provisional patent application number 63/209,540, entitled **Systems for Robotic Surgery**, filed on **June 11, 2021**; and

United States non-provisional patent application number 17/443,646, entitled **Chain Saws, Components for Chain Saws, and Systems for Operating Saws**, filed on **July 27, 2021**; ¹

WHEREAS, **Chain Orthopedics, LLC**, organized and existing under and by virtue of the laws of **Delaware**, having a place of business at **170 Maplewood Ave., Bogota, NJ 07603**, (hereinafter referred to as “Assignee”), desires to acquire the rights, title, interests, benefits, and privileges herein recited;

NOW, THEREFORE, for good and valuable consideration furnished by Assignee to me/us, the receipt and sufficiency of which is hereby acknowledged, I/we, without reservation:

1. Have assigned, transferred, and conveyed to Assignee, and/or do hereby assign, transfer, and convey to Assignee, my/our entire right, title, and interest in and to:

¹ In the event that the Application is not identified in the spaces above by application number and filing date, I hereby authorize and request Potomac Law Group, PLLC to insert the application number and filing date of the Application in the spaces above when known.

- a. the Applications,
- b. any and all inventions and discoveries described, shown, or claimed in the Applications,
- c. any and all applications directed to any of the inventions or discoveries described, shown, or claimed in the Applications,
- d. any and all applications based upon or claiming priority to any of the Applications, and any and all applications to which any of the Applications claims priority, and
- e. any and all Letters Patent that may be issued from any of the Applications, or for any of the inventions or discoveries described, shown, or claimed in the Applications, or from any application based upon or claiming priority to any of the Applications, or from any application to which any of the Applications claims priority,

in any and all countries and regions, including all provisional, non-provisional, divisional, continuation, continuation-in-part, renewal, substitute, reissue, reexamination, international (including under the Patent Cooperation Treaty) and Convention applications, and all renewals, reissues, and extensions of Letters Patent, and every priority right that is or may be predicated upon or that arises or may arise from the Applications, from said inventions and discoveries, from any application based upon or claiming priority to any of the Applications, or from any application to which any of the Applications claims priority.

2. Authorize Assignee to file patent applications in any or all countries for any or all of said inventions and discoveries in my/our name(s) or in the name of Assignee or otherwise as Assignee may deem advisable.

3. Authorize and request the Commissioner for Patents of the United States of America and the empowered officials of all other governments to issue or transfer all said applications and Letters Patent to Assignee, as assignee of the entire right, title, and interest therein, or otherwise as Assignee may direct.

4. Warrant that I/we have not knowingly conveyed to any other person or entity any right, title, or interest in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions or discoveries; that I/we have good right to assign the same to Assignee without encumbrance; and that I/we have no knowledge of any claim to the contrary.

5. Have assigned, transferred, and conveyed to Assignee, and/or do hereby assign, transfer, and convey to Assignee all rights to enforce said applications and Letters Patent and all rights to any and all remedies for any and all past, present, and future infringement of said applications and Letters Patent.

6. Bind my/our heirs, legal representatives, and assigns, as well as myself/ourselves, to do, upon Assignee's request and at Assignee's expense, but without additional consideration to

me/us or them, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me/us, my/our heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to me/us relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in my/our control or in the control of my/our heirs, legal representatives, or assigns which may be useful for establishing the facts of my/our conceptions, disclosures, and reductions to practice of said inventions and discoveries; and to testify, upon Assignee's request, to the same in any interference, arbitration, litigation, or other proceeding pertaining to said inventions and discoveries, said patent applications, and/or said Letters Patent.
