the below signed joint inventors of record, hereby assign to

DERRICK CORPORATION

a corporation having an address at

**590 Duke Road
Buffalo, New York 14225
USA**

and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent signed by me entitled

"APPARATUSES, METHODS, AND SYSTEMS FOR VIBRATORY SCREENING"

Application Number: 15/785,141

Date of Filing: October 16, 2017

This assignment includes said application, any and all United States and foreign patents, utility models, design registrations, inventor's certificates and other similar rights granted for any of said inventions or improvements, and the right to claim priority, including U.S. provisional patent application Nos. 62/488,293 and 62/8408,514, based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. I hereby authorize the Assignee to apply in all countries in my name, or in its own name, for patents, utility models, design registrations and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assignees, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.
