PATENT

ASSIGNMENT & DECLARATION

WHEREAS, I, **Brian E. Spencer** (“Assignor(s)”) have invented certain new and useful improvements in “**VEHICLE**” disclosed in an application for United States Letters Patent (Application No. 29/742,026 filed on September 24, 2019), the application having been executed concurrently herewith;

WHEREAS, **Canoo Technologies Inc.**, a corporation organized under the laws of Delaware, having a place of business at 19951 Mariner Avenue, Torrance, CA 90503 (“Assignee”), is desirous of acquiring our entire right, title, and interest in and to the invention and in and to the application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign, and transfer unto the Assignee, its successors, assigns, and legal representatives, the full and exclusive right, title, and interest in and to the invention and in and to the application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part, and extensions thereof; and we hereby authorize and request the Commissioner of Patents to issue all patents for the invention, or patents resulting therefrom, insofar as our interest is concerned, to the Assignee of our entire right, title, and interest.

We also hereby sell and assign to the Assignee, its successors, assigns, and legal representatives the full and exclusive right, title, and interest to the invention disclosed in the application throughout the world, including the right to file applications and obtain patents, utility models, industrial models, and designs for the invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of the invention, and all rights to register the invention in appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title, and interest in the Assignee, its successors, assigns, and legal representatives.

We hereby further agree that we will communicate to the Assignee, or to its successors, assigns, and legal representatives, any facts known to us respecting any improvements; and, at the expense of the Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue, and substitute applications, make all lawful oaths, and generally do everything possible to vest title in the Assignee and to aid the Assignee, its successors, assigns, and legal representatives to obtain and enforce proper protection for the invention in all countries.
