ASSIGNMENT OF INVENTION

This Deed of assignment is dated 3 NOVEMBER 2020
(Day) (Month) (Year)
and is between:

Alastair Bryers, whose address is 9 Sandy Lane, Cholsey OX10 9PY, United Kingdom (the "Assignor"); and

Entotem Limited, a company incorporated in England and Wales under company number 08505500, and whose address is St Helen's House, King Street, Derby DE1 3EE, United Kingdom (the "Assignee").

WHEREAS, the Assignor has devised an invention relating to Assessing Distances Between Transceivers (the "Invention"), which is described in and is the subject of United Kingdom Patent Application No. 20 11 759.4, filed on 29 July 2020 (the "Application").

WHEREAS, the Assignor has agreed to assign unto the Assignee any right, title and interest it holds in the Invention and the Application upon the terms and conditions set out below, and to make certain covenants with the Assignee in relation to the Invention and the Application.

1 In pursuance of the said agreement, the Assignor does **HEREBY SELL, ASSIGN AND TRANSFER** unto the Assignee, its successors and assigns:

- 1.1 the entire right, title and interest in the Invention, as described in the aforesaid Application, in any form or embodiment thereof, and the full and exclusive benefit to it;
- 1.2 the entirety of any right, title and interest held in and to the Application and the full and exclusive benefit of it and all the rights and privileges and advantages associated with it;
- 1.3 the right to apply for and obtain patents or other similar forms of protection in respect of the Invention in the United Kingdom and throughout the world, including:
 - 1.3.1 the right to file patent applications under the provisions of the European Patent Convention;
 - 1.3.2 the right to file patent applications under the provisions of the Patent Co-operation Treaty; and
 - 1.3.3 the right to file any divisional, continuation, continuation-in-part, substitute applications, supplementary disclosures, patent re-issues or extensions thereof which may be filed upon the Invention, in any country;
- 1.4 the right to claim priority under Section 5 of the Patents Act 1977 from the Application;
- 1.5 the right to claim priority from the Application under the provisions of the Paris Convention when making applications in countries or territories outside the United Kingdom;
- 1.6 any patents granted under the Patents Act 1977 or other similar forms of protection granted in respect of the Invention in the United Kingdom pursuant to the Application; and
- 1.7 any patents or other similar forms of protection granted in respect of the Invention in countries or territories outside the United Kingdom.

TO HOLD the same unto the Assignee absolutely.

2 The Assignor hereby authorises and requests any and all patent offices or issuing authorities to issue any and all patents on the Invention to the Assignee, its successors and assigns.

3 The Assignor **HEREBY COVENANTS** with the Assignee that the Assignor will, at the expense of the Assignee:

- 3.1 execute, sign and do all such instruments, applications, documents, acts and things as may reasonably be required by the Assignee to enable the Assignee or the nominee of the Assignee to enjoy the full benefit of the property and rights hereby assigned; and
- 3.2 if requested to do so by the Assignee, to apply for any patents or other forms of protection in respect of the Invention throughout the world and fully and effectively to vest the same in the

Assignee or as the Assignee shall direct:

- 3.3 communicate to the Assignee, its representatives or agents, any facts relating to the invention, including evidence for derivation purposes or for other proceedings, whenever requested, and testify at any derivation, litigation or other proceedings, whenever requested;
- 3.4 execute and deliver all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon the Assignor's heirs, legal representatives, administrators and assigns.
- 4 If any condition, clause or provision of this Deed, is held to be illegal, void, invalid or unenforceable, the legality, validity and enforceability of the remainder of this Deed shall not be affected thereby.
- 5 This Deed is governed by and shall be interpreted according to the laws of England and Wales.

WHEREAS, the Assignor has devised an invention relating to **Specifying the Location of a Mobile Transceiver** (the "Invention"), which is described in and is the subject of United Kingdom Patent Application No. 20 11 879.0, filed on 30 July 2020 (the "Application").

WHEREAS, the Assignor has agreed to assign unto the Assignee any right, title and interest it holds in the Invention and the Application upon the terms and conditions set out below, and to make certain covenants with the Assignee in relation to the Invention and the Application.

1 In pursuance of the said agreement, the Assignor does **HEREBY SELL, ASSIGN AND TRANSFER** unto the Assignee, its successors and assigns:

- 1.1 the entire right, title and interest in the Invention, as described in the aforesaid Application, in any form or embodiment thereof, and the full and exclusive benefit to it;
- 1.2 the entirety of any right, title and interest held in and to the Application and the full and exclusive benefit of it and all the rights and privileges and advantages associated with it;
- 1.3 the right to apply for and obtain patents or other similar forms of protection in respect of the Invention in the United Kingdom and throughout the world, including:
 - 1.3.1 the right to file patent applications under the provisions of the European Patent Convention;
 - 1.3.2 the right to file patent applications under the provisions of the Patent Co-operation Treaty; and
 - 1.3.3 the right to file any divisional, continuation, continuation-in-part, substitute applications, supplementary disclosures, patent re-issues or extensions thereof which may be filed upon the Invention, in any country;
- 1.4 the right to claim priority under Section 5 of the Patents Act 1977 from the Application;
- 1.5 the right to claim priority from the Application under the provisions of the Paris Convention when making applications in countries or territories outside the United Kingdom;
- 1.6 any patents granted under the Patents Act 1977 or other similar forms of protection granted in respect of the Invention in the United Kingdom pursuant to the Application; and
- 1.7 any patents or other similar forms of protection granted in respect of the Invention in countries or territories outside the United Kingdom

TO HOLD the same unto the Assignee absolutely.

2 The Assignor hereby authorises and requests any and all patent offices or issuing authorities to issue any and all patents on the Invention to the Assignee, its successors and assigns.

3 The Assignor **HEREBY COVENANTS** with the Assignee that the Assignor will, at the expense of the Assignee:

- 3.1 execute, sign and do all such instruments, applications, documents, acts and things as may reasonably be required by the Assignee to enable the Assignee or the nominee of the Assignee to enjoy the full benefit of the property and rights hereby assigned; and
- 3.2 if requested to do so by the Assignee, to apply for any patents or other forms of protection in respect of the Invention throughout the world and fully and effectively to vest the same in the

Assignee or as the Assignee shall direct;

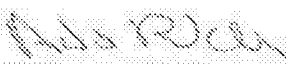

- 3.3 communicate to the Assignee, its representatives or agents, any facts relating to the invention, including evidence for derivation purposes or for other proceedings, whenever requested, and testify at any derivation, litigation or other proceedings, whenever requested;
- 3.4 execute and deliver all lawful papers required to make any of the foregoing provisions effective, and likewise make these provisions binding upon the Assignor's heirs, legal representatives, administrators and assigns.
- 4 If any condition, clause or provision of this Deed, is held to be illegal, void, invalid or unenforceable, the legality, validity and enforceability of the remainder of this Deed shall not be affected thereby.
- 5 This Deed is governed by and shall be interpreted according to the laws of England and Wales.
