NUNC PRO TUNC ASSIGNMENT

WHEREAS WE, the inventors Joseph Wayne Knepp, Ryan Merritt, and Christopher Jacob Camp [hereinafter referred to as Assignor(s)], have made an invention entitled:

Tugger Cart Assembly

for which We filed an application for United States Letters patent on March 6, 2020, as U.S. Patent Application No. 16/811,715, and

WHEREAS, the effective date of this Nunc Pro Tunc Assignment is March 6, 2020, and the Assignment of our rights in and to the invention is retroactive as if this Assignment were executed on March 6, 2020;

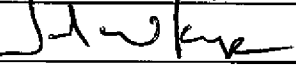

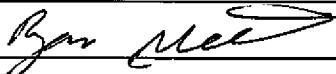

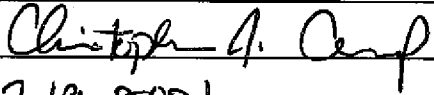

WHEREAS, J-Tec Industries, Inc., a Corporation of Illinois, whose post office address is 201 Carver Lane, East Peoria, IL 61611 (hereby referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in and to the application for United States Letters Patent on this invention and the Letters Patent issued upon this application.

NOW THEREFORE, be it known that for good and valuable consideration the receipt of which from assignee is hereby acknowledged, We, as assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this application, any applications claiming priority or benefit to this application, and all divisionals, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such application, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with assignee, its successors and assigns, any facts known to us/me respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.

IN TESTIMONY WHEREOF, We have hereunto set our hands.
