PATENT ASSIGNMENT

This Patent Assignment ("**Assignment**") is effective as of July 19, 2021 ("**Effective Date**"), and is entered into between THE EQUITY ENGINEERING GROUP, INC., an Ohio corporation, ("**Transferor**") and E²G CORR SOLUTIONS, LLC, an Ohio limited liability company, ("**Transferee**").

WHEREAS, Transferor is the owner of the patents and patent applications described on Schedule 1 hereto ("**Patents**"); and

WHEREAS, pursuant to the terms of that certain Bill of Sale and Assignment and Assumption Agreement by and between Transferor and Transferee, effective as of the date hereof ("**Agreement**"), Transferor has agreed to assign to Transferee all right, title, and interest in and to the Patents; and the Transferor has agreed to execute and deliver such additional documents, instruments, conveyances, and assurances and take such further actions as may be reasonably required to carry out the provisions of the Agreement and give effect to the transactions contemplated by the Agreement. Capitalized terms used herein and not otherwise defined herein will have the respective meanings assigned to such terms in the Agreement.

NOW THEREFORE, for the consideration set forth in the Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as of the Effective Date, Transferor hereby sells, transfers, conveys, and assigns to Transferee, and its successors and assigns, free and clear of all Encumbrances, Transferor's entire right, title, and interest in and to the Patents, including all reissues, divisionals, reexaminations, renewals, extensions, provisionals, substitutions, continuations and continuations-in-part thereof, and all equivalent or similar rights anywhere in the world in inventions and discoveries first disclosed in the Patents therefor, together with all causes of action (whether known or unknown or whether currently pending, filed, or otherwise) and other enforcement rights with respect to the Patents, including causes of action and other enforcement rights for (a) damages, (b) injunctive relief, and (c) any other remedies of any kind, for past, current, and future infringement of any the Patents, including royalties and other payments.

Transferor hereby authorizes the respective patent office or governmental agency in each applicable jurisdiction to issue any and all patents, certificates of invention or other similar governmental grants or issuances that may be granted for any of the Patents in the name of Transferee, as the assignee.

Transferor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

Transferor hereby agrees to cooperate with Transferee, its successors and assigns, in proceedings or transactions involving the Patents, including the giving of statements and producing of evidence reasonably necessary or desirable to secure allowance of the Patents, and to perform any and all other acts reasonably necessary or desirable to vest in Transferee the entire right, title, and interest in and to the Patents such that the Patents will be held and enjoyed by Transferee, its successors and assigns, as fully and entirely as if the Patents would have been held and enjoyed by Transferor had the assignment to Transferee not been made.

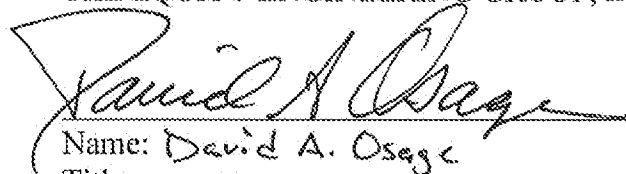

This Assignment is made and will be governed by the laws of the State of Ohio, excluding its choice of law principles. The parties hereto hereby consent to the exclusive jurisdiction and venue of a competent court sitting in the State of Ohio, for the adjudication of all matters arising from the subject matter of this Assignment.

This Assignment will inure to the benefit of and be binding upon Transferor and Transferee and their respective successors and assigns. This Assignment may be executed in counterparts, each of which will be deemed an original, but all of which together will be deemed to be one and the same agreement. A signed copy of this Assignment delivered by facsimile, email or other means of electronic transmission will be deemed to have the same legal effect as delivery of an original signed copy of this Assignment.

IN WITNESS WHEREOF, each of the undersigned has caused this Assignment to be executed and delivered by its duly authorized representative as of the Effective Date.
