## ASSIGNMENT OF RIGHTS IN PATENTS

Assignor

Michael P. Sosa

Principal Place of Business of Assignor

13116 Eagles Entry Drive  
Odessa, FL 33556

Assignee

Life Aligned Safety Products LLC  
(Florida Limited Liability Company)

Principal Place of Business of Assignee

13116 Eagles Entry Drive  
Odessa, FL 33556

WHEREAS, I, the above-identified Assignor, is an owner of the following U.S. patents:

<u>Patent Number</u>	<u>Title</u>	<u>Date of Patent</u>
10,207,617	REDUCED-IMPACT-AND-RECOIL HEADREST	February 19, 2019
10,538,186	REDUCED-IMPACT-AND-RECOIL HEADREST	January 21, 2020

Hereinafter referred to as the “patents”;

And, whereas Assignor desires to assign a 100% undivided interest in said patents to the above-identified Assignee, and wherein said Assignee is desirous of acquiring the entire right, title and interest in the same;

Now, this indenture witnesseth, that for value received, the receipt and sufficiency whereof is hereby acknowledged;

Assignor hereby assigns, sells and transfers a 100% undivided interest in the entirety of the bundle of rights, title, and interest in and to said patents, unto said Assignee, together with all claims for damages and profits by reason of any past infringement of said letters patents and the right to sue therefor, and together with the right to file said patents or any division, continuation, or continuation-in-part thereof in the United States or in any foreign jurisdiction under the Paris Convention or the Patent Cooperation Treaty, such interests, claims, and rights, to be held and enjoyed by the Assignee for their own use and for their successors and assigns, to the full end of the term for which any patent issuing from said patents may be granted, and any reissues, renewals, or extensions thereof as may be granted, as fully and entirely as the same would have been held by Assignor had this Assignment and sale not been made;

And Assignor further agrees not to challenge, directly or indirectly, the patentability of said patent application or the validity of any patents that issue therefrom or are related thereto under all jurisdictions, including proceedings before the Patent Trial and Appeal Board;

And Assignor further agrees to execute all necessary and lawful future documents, including assignments in favor of Assignee, or their designees as Assignee or their Assignee may from time-to-time present to Assignor in order to perfect title in said patents;

And Assignor further covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

And Assignor further covenants that Assignee will, upon request, be provided promptly with all pertinent facts and documents relating to said patents as may be known and accessible to Assignor and Assignor will testify to the same in any interference or litigation related thereto and will promptly execute and deliver to Assignee or their legal representatives any and all papers, instruments, declarations, or affidavits required to apply for, obtain, maintain, and enforce said patents or any patents issuing therefrom which may be necessary or desirable to carry out the purposes hereof;

This Assignment may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Upon being duly cautioned, Assignor hereby declares that all statements made herein of its own knowledge are true and that all statements made on information and belief are believed to be true and further that false statements and the like so made are punishable by fine, imprisonment or both under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the patent and any patent issuing therefrom.
