NOTICE OF GRANT OF SECURITY INTEREST IN PATENTS

Please be advised that, pursuant to that certain Second Amended and Restated Security Agreement, dated as of August 3, 2021 (as the same may be amended, restated, amended and restated, supplemented, and/or otherwise modified in writing from time to time, the “Security Agreement”), by and among the grantors from time to time party thereto (each, a “Grantor”; and collectively, the “Grantors”) and Bank of America, N.A., as Administrative Agent (the “Administrative Agent”) for the Secured Parties referenced therein, to secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Secured Obligations (as defined in the Security Agreement), the undersigned has granted to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in, and a right to set off against, the patents and patent applications shown on Schedule 1.

The undersigned Grantor and the Administrative Agent, on behalf of the Secured Parties, hereby acknowledge and agree that the security interest in the foregoing patents and patent applications: (iii) may only be terminated in accordance with the terms of the Security Agreement; and (iv) is *not* to be construed as an assignment of any patent or patent application. This Notice of Grant of Security Interest in Patents may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, and all of which, when taken together, shall constitute a single contract.
