ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, I/we **Daniel Setton**, (hereinafter "ASSIGNOR"), have and do hereby distribute, convey, transfer and assign to **EMES Commerce Group Inc.**, having its principal place of business at **1599 east 15th street 2ND FLOOR, Brooklyn, NY 11223** and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in and to the inventions, improvements and all patent applications that are the subject of an application for United States Patent, entitled "**CUSHION SET**" filed on August 5, 2021, and assigned Serial No. 29/802,476 and to any patents, continuations, continuations-in-part, divisions, reissues, reexaminations and extensions thereof along with any and all rights of enforcement and causes of action with respect thereto, and

I/we authorize and request the attorneys appointed in said application to file this assignment wherever appropriate including for any and all United States and foreign patent applications and patents, utility models, and design registrations pending or granted for any of said inventions or improvements;

I/we authorize and request the attorneys appointed in said application the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and

I/we authorize the Assignee to apply in all countries in our names or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

In entering into this Assignment, I/we acknowledge that I/we have relied upon the legal advice of my/our own attorneys, that the terms of the Assignment are fully understood and voluntarily accepted, and that, other than the consideration set forth herein, no other promises or representations of any kind have been made. I/we represent and acknowledge that in executing this Assignment I/we did not rely, and have not relied, upon any representation or statement, whether oral or written, made by Assignee or by Assignee's agents, representatives or attorneys with regard to the subject matter, basis or effect of this Assignment or otherwise.

I/we represent and warrant that I/we have the full power to make this assignment and that the rights, titles, and interests assigned are not encumbered by any grant, license or right heretofore given.

Date: August 4/2021
