ASSIGNMENT

28780 Old Town Front Street Suite 104
Temecula Ca 92590

This Assignment is made by Wayne E. Israelson of 33238 Bellamy Lane, Menifee, California 92584, (the Co-inventor), to AllTech Motorsports Inc., a California corporation, having its principal place of business at ~~26605 Pierce Circle, Murrieta, California 92562~~ (the Assignee). Co-inventor believes that he/she is an original joint inventor of **CONTROL COIL OVER INTERNAL BYPASS DAMPER FOR AUTOMOTIVE SUSPENSIONS** (the Invention), which is at least partially described in the above-numbered patent application filed on the above-indicated date (the Application). Co-inventor represents and warrant that he/she is the co-owner of the right, title, and interest in and to the Invention and the Application as joint inventor, having full right and power to convey his/her entire interest, both legal and equitable, in this Assignment. Co-inventor further represents and warrants that his/her rights transferred in this Assignment are free of lien, encumbrance, or adverse claim.

For valuable consideration, receipt and sufficiency of which are hereby acknowledged, Co-inventor and Assignee agree as follows:

1. Co-inventor does hereby sell, assign, convey, and transfer exclusively to Assignee, its successors, assigns, nominees, or other legal representatives his/her worldwide rights, title, and interest in, to and under said Invention as described and claimed in any form or embodiment thereof, and in and to the Application including in and to any application filed in this or any foreign country based thereon, including the right to file said foreign applications under the provisions of any international convention; also his/her entire right, title, and interest in and to any and all patents or reissues or extensions thereof to be obtained in this or any foreign country upon the Invention and any divisional, continuation, continuation-in-part, or substitute applications which may be filed upon the Invention in this or any foreign country; and in and to all income, royalties, damages, claims, and payments now or hereafter due or payable with respect thereto; and in and to all causes of action, either in law or in equity, for past, present, or future infringement based on the Invention; and Co-inventor hereby authorizes and requests the issuing authority to issue any and all patents on the Invention to said Assignee or its successors and assigns.
2. Co-inventor further agrees to execute all divisional, continuing, substitute, improvement, extension, reissue, and other patent applications in this or any foreign country relating to the Invention or the Application and to sign all other lawful papers and to perform all other lawful acts without further consideration, but without expense to Co-inventor, which Assignee may deem necessary or desirable to make this Assignment fully effective, including, by way of example but not of limitation, the following acts:
 - a. prompt execution of all lawful oaths, affidavits, and/or supplemental oaths required or deemed advisable by Assignee to further the prosecution of any application or applications for patents relating to the Invention; and
 - b. co-operation to the best of Co-inventor's ability in the execution of all lawful documents, the production of evidence, and the giving of testimony in interference, opposition, derivation, review, nullification, examination, re-examination, infringement, or other proceedings involving the Invention, the Application, or any other applications or patents upon the Invention or the Application.
3. The Application was made or was authorized to be made by Co-inventor.
4. Co-inventor hereby authorizes Assignee to insert into this Assignment the serial number and filing date of the Application if not currently known.

Co-inventor, intending to be legally bound, has signed this Assignment on the date written by the Co-inventor's signature below. Co-inventor hereby acknowledges that any willful false statement made in this Assignment is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. ~~he~~/she/they, ~~is~~ /are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
 - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
 - ❖ Indicate title or type of attached document, number of pages and date.
 - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.
