INTELLECTUAL PROPERTY ASSIGNMENT

This **INTELLECTUAL PROPERTY ASSIGNMENT AGREEMENT** (the "Assignment") is hereby entered as of July 31, 2021 ("Effective Date") by and among Vengar Technologies, LLC, a Wyoming limited liability company ("Assignor"), and Everything Blockchain Technology Corp., a Florida corporation ("Assignee").

RECITALS

WHEREAS, Assignor is the owner of the entire right, title and interest in and to the patent applications listed in Schedule X.1 (the "Patent Assets") and the registered trademarks listed in Schedule X.2 (the "Trademark Assets"); and

WHEREAS, Assignor wishes to assign its rights in the Patent Assets and Trademark Assets to the Assignee in conjunction with a Business Purchase Agreement between Assignor and an entity affiliated with Assignee entered into on or around the date of this Agreement; and

WHEREAS, Assignee desires to obtain the entire right, title and interest in and to said Patent Assets and said Trademark Assets from Assignor.

AGREEMENT

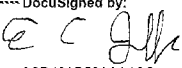

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged by the parties, the parties agree as follows:

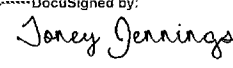

1. Any and all capitalized terms not defined herein shall have the same meaning as established in the Purchase Agreement entered into between the parties.
2. Assignor hereby sells, assigns and transfers unto Assignee their entire right, title and interest in and to said Patent Assets and said Trademark Assets and the invention(s), Intellectual Property, and disclosed therein or associated therewith, and any continuation, divisional, renewal or substitution thereof, and all Letters Patent of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may be filed for said invention(s), Intellectual Property, and Products, in any country or countries foreign to the United States of America, including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention(s), Intellectual Property, and Products, all rights to register said invention(s), Intellectual Property, and Products in appropriate registries, and all Letters Patent which may be granted for said invention(s), Intellectual Property, and Products in any country or countries foreign to the United States of America, and all extensions, renewals and reissues thereof, and Assignor hereby authorizes and requests the Commissioner for Patents and Trademarks of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention(s) to said Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this Assignment.
3. Assignor hereby covenants and agrees that it will communicate to Assignee, its successors, legal representatives and assigns, any fact(s) known to Assignor and/or their employees, consultants, or the named inventors, respecting the invention(s), Intellectual Property, and Products described and/or claimed in the aforementioned Intellectual Property Assets, and testify in any legal proceeding, sign all lawful papers, execute all divisionals, renewals, substitutions, continuations, and reissue applications, make all rightful declarations and/or oaths and generally do everything reasonably possible to aid Assignee, its successors, legal representatives, and assigns, to obtain, maintain and enforce proper patent protection for said invention(s), Intellectual Property, and Products in all countries.
4. Assignor hereby grants to Assignee the power of attorney and full authority to act as agent for the Assignor to, execute, acknowledge, deliver, and file or cause to be done, executed, acknowledged, delivered, or filed, all such further acts, deeds, transfers, conveyances, assignments or assurances deemed necessary by Assignor to properly assign the Intellectual Property Assets in the United States and/or any foreign country.

IN WITNESS WHEREOF, the duly authorized representatives of the parties have executed this Agreement effective on the date written above.
