ASSIGNMENT

WHEREAS, John P. Fischer, Jay Bradford Fell, James F. Blake, Ronald Jay Hinklin, Macedonio J. Mejia, Erik James Hicken, Mark Joseph Chicarelli, John J. Gaudino, Guy P.A. Vigers, Laurence E. Burgess, Pavel Savechenkov and Henry J. Zecca; hereinafter called the "Assignors", have made the invention described in the United States patent application entitled "KRAS G12C INHIBITORS" that has a PCT Serial Number of PCT/US2017/033099, filed on May 17, 2017, and are therefore, co-inventors of this invention;

WHEREAS, Array BioPharma Inc., a corporation organized and existing under the laws of the United States, having a place of business at 3200 Walnut Street, Boulder, Colorado 80301, hereinafter called the "Assignee", desires to acquire the Assignors' entire right, title and interest in and to the invention and to the patent application identified above, and all patents, foreign and domestic, which may be obtained for said invention, as set forth below.

NOW THEREFORE, in exchange for valuable and legally sufficient consideration, the Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer to the Assignee, their entire right, title and interest for the United States and elsewhere in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States and elsewhere; together with their entire right, title and interest in and to said invention and all patent applications, patents, utility models and designs therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications, patents, utility models and designs defined above; to have and to hold for sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term or terms for all such patents.

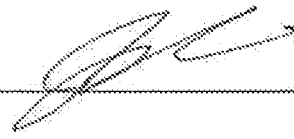

The Assignors hereby covenant and agree, for both the Assignors and Assignors' legal representative, that Assignors have the full right to convey the interest assigned by this Assignment; and that the Assignors will assist the Assignee in the prosecution of the patent applications identified above, in the making and prosecution of any other applications that the Assignee like exclusive title in and to all such other patent applications and patents, in the prosecution of any interference which may arise involving said invention, or any such patent application or patent, and in assisting Assignee in enforcement of any rights arising out of the Assignment; and that the Assignors will execute and deliver to the Assignee any and all additional papers which may be requested by the Assignee to carry out the terms of this Agreement.

The Commissioner of Patents and Trademarks is hereby authorized and requested to issue patents to the Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, THE Assignors have executed this agreement.
