INTELLECUTAL PROPERTY ASSIGNMENT AGREEMENT

For good and valuable consideration, I, Meghan Wolfram of 2955 Lett Lane Malabar, Florida 32950 (hereinafter referred to as Assignor) hereby sell, assign and transfer to Swift Paws LLC (hereinafter referred to as Assignee) its successors, assigns and legal representatives, the entire right, title and interest in and for the United States and all foreign countries, in and to any and all inventions disclosed in the application for United States Letters patent entitled:

Lure Chasing System

and further in and to said application and all original, divisional, continuation, continuing, substitute, renewal, reissue and all other applications for Letters Patent that have been or shall be filed in the United States and any foreign country on any of said inventions.

Assignor agrees that Assignee may apply for and receive Letters Patent for said inventions in its own name.

Assignor agrees that, at the request of the Assignee and, without charge to but at the expense of the Assignee, Assignor will carry out in good faith the intent and purpose of this Assignment; execute all original, divisional, continuation, continuing, substitute, renewal, reissue, and all other patent applications on any of said inventions; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to Assignee all facts known to Assignor relating to said inventions, the history thereof and any alleged infringement thereof; and generally do everything possible that Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on inventions in the Assignee;

Assignor covenants with Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the Assignor, and that full right to convey the same as herein expressed is possessed by the Assignor.
