Whereas, the above-identified Assignor states that it is the current assignee of the entire right, title, and interest in the above-identified patent application(s) and/or patent(s) (hereinafter referred to as "Invention") by virtue of an assignment from the inventor(s) of the above-identified Invention. The assignment was recorded in the United States Patent and Trademark Office at **Reel 056325, Frame 0748**, or for which a copy therefore is attached;

Whereas, pursuant to and as set forth in a certain Support Agreement dated 28 December 2017 between Assignor and Assignee, Assignor agreed that all product designs and intellectual property related solely to Lighting Products shall be the sole and exclusive property of Assignee. Assignor agrees that the Invention relates solely to Lighting Products as set forth in the Support Agreement;

And, whereas Assignor desires to and does assign its above-identified rights, title and interest in the Invention to the above-identified Assignee;

Now, this indenture witnesseth, that for good and valuable consideration, the receipt whereof is hereby acknowledged;

Assignor does and has, **nunc pro tunc effective as of 28 December 2017**, hereby assign, sell and transfer its above-identified rights, title and interest in said Invention, said application(s) as identified above, including any divisions, continuations, and continuations-in-part thereof, and in and to any and all Letters Patent of the United States, and countries foreign thereto, which may be granted or have granted for said Invention, and in and to any and all reissues and reexaminations thereof, and in and to any and all priority rights, Convention rights, and other benefits accruing or to accrue to us with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto, unto said Assignee;

And Assignor does hereby authorize and request the Director of the United States Patent and Trademark Office to issue any United States Letters Patent which may issue for said Invention to said Assignee, as assignee of the whole right, title and interest thereto;

And Assignor further agree to sign and execute all necessary and lawful future documents, including applications for foreign patents, for filing divisions, continuations and continuations-in-part of said application for patent, and/or for obtaining any reissue or reissues of any Letters Patent which may be granted for my aforesaid Invention, as the Assignee or its Designee(s) may from time to time require and prepare at its own expense.
