ASSIGNMENT

WHEREAS, We, Kathryn J. Wright, Carl L. Willis, Tomomi Nishi, Norio Masuko, Dale L. Handlin, Jr. and Robert C. Bening have made a certain improvement in Novel Block Copolymer Compositions for which application papers for United States Patent thereon, identified as W0010 have been executed by us, and,

WHEREAS KRATON Polymers U.S. LLC, a Delaware Corporation, has equitable rights in and to this invention and desires to confirm such rights and to acquire all right, title and interest in and to said invention;

NOW THEREFORE, for valuable consideration received, we hereby sell, assign, and transfer to said KRATON Polymers U.S. LLC, its successors and assigns, all right, title and interest in and to said invention in the United States and in all other countries throughout the world; including without limitation those in and to the above-named application and any continuation, substitute or division application thereof and the patent or patents which may be issued thereon in the United States and any reissue of any such patent, and those in and to any application or patent or utility model in any and all such other countries of the world, and further including the right to file further applications in all countries throughout the world in the name of KRATON Polymers U.S. LLC or whomsoever that company may nominate, and to claim the priority of the above-named United States application under the International Convention of Paris of 1883.

With respect to any country where for the filing of such an application and/or the transfer of priority rights a separate deed of sale, assignment or transfer is required, we will undertake at the request of KRATON Polymers U.S. LLC to execute such separate deed to KRATON Polymers U.S. LLC or to whomsoever that company may nominate.

And we hereby agree that we will upon request execute any instrument which KRATON Polymers U.S. LLC desires to carry this assignment in effect, and perfect the title transferred hereby, or to prosecute any of the above-mentioned United States applications or any foreign application on this invention.

And the Commissioner of Patent of the United States is hereby authorized to issue Letters Patent on said above-named application and on any continuation, substitute or division thereof to KRATON Polymers U.S. LLC

IN TESTIMONY WHEREOF, we have hereunto subscribed our names
