Assignment of Invention and Patent Application

For good and valuable consideration the receipt and sufficiency of which is hereby acknowledged, **Cameron Fowler**, a citizen of the United States having a residence and post office address at 10108 Indian Mound Road, Fort Worth, TX, 76108 (hereinafter "Assignor"), hereby sells, assigns, transfers, and sets over unto **Digital Seat Media, Inc.**, a Delaware corporation having a place of business at 1675 South State Street, #B, Dover, Delaware 19901 (hereinafter "Assignee"), one-hundred percent (100%) of Assignor's right, title and interest in and to the invention titled System and Method and System for Digital Verification (hereinafter "Property") invented by Assignor. Patent filings for this invention have been made as follows (attorney is authorized to fill in numbers as they become available):

Application number - **63015688** - - - filed 4/27/2020

Application number - - - - - filed _____

Application number _____, filed _____

Application number _____ filed _____

This assignment includes all U.S. patent rights, including reissues, continuations, continuations-in-part, substitutes, divisions, designs, and other related applications. Assignor authorizes and requests that the Commissioner of Patents and Trademarks issue any patent(s) 100% to Assignee, to the full end of the term for which said patent may be granted, as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made. By this assignment, Assignor hereby warrants that to the best of his or her knowledge, he/she is the sole owner of the Property (subject to any rights of co-inventors described above), it is free of encumbrances or licenses of any kind, the patent has not expired, and the patent is valid and fully enforceable to the best of Assignor's knowledge.

Assignor hereby further sells, assigns, transfers, and sets over unto Assignee Assignor's entire right, title and interest in and to said invention in each and every country foreign to the United States.

Assignor further convey to Assignee 100% of all priority rights resulting from the above-identified application for United States and foreign patents, and all rights to pursue past, present, and future infringement and collect all damages related thereto. Assignor agree to execute all papers, give any required testimony and perform other lawful acts, at Assignees expense, as Assignee may require to enable Assignee to perfect Assignee's interest in any resulting patent of the United States and countries foreign thereto, and to acquire, hold, enforce, convey, and uphold the validity of said patent and reissues and extensions thereof, and Assignee's interest therein.

In testimony whereof, Assignor hereby sets his/her hand and seal on the date below.

ASSIGNMENT

WHEREAS, I, **Matthew Sullivan** of Austin, Texas, USA, hereinafter referred to as the assignor, am an inventor of certain inventions or improvements for which I have made application for Letters Patent to the United States Patent Office, identified in **SCHEDULE A**, attached hereto.

WHEREAS, **Digital Seat Media, Inc.**, hereinafter referred to as the Assignee, of **916 Bryan Avenue, Suite 104, Fort Worth, Texas 76104, USA** is desirous of acquiring the entire right, title, and interest in and to the said inventions or improvements and in and to the said applications, and in, to, and under any and all Letters Patents which may be granted on or as a result thereof in any and all countries.

NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) to me in hand paid by said Assignee, and other good and valuable consideration, the receipt of which is hereby acknowledged, I, the said Assignor, have sold, assigned, transferred, and set over, and by these presents do hereby sell, assign, transfer, and set over to said Assignee, my entire right, title, and interest in and to said inventions or improvements and said applications and any and all provisional applications, continuations, continuations-in-part, divisionals, and renewals of and substitutes for said applications, including any reissue or continuation, continuation-in-part or divisional therefrom, and in, to, and under any and all Letters Patent which may be granted on or as a result thereof in the United States and any and all other countries, and any reissue or reissues or extension or extensions of said Letters Patent, and assign to and authorize said Assignee, to file in my name applications for Letters Patent in all countries, the same to be held and enjoyed by said Assignee, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patents respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, sale, and transfer not been made.

AND I hereby covenant that I have full right to convey my entire interest herein assigned, and that I have not executed and will not execute any agreement in conflict herewith, and I further covenant and agree that I will each time request is made and without undue delay, execute and deliver all such papers as may be necessary or desirable to perfect the title to said inventions or improvements, said applications, and said Letters Patent to said Assignee, its successors, assigns, nominees or legal representatives, and I agree to communicate to said Assignee or to its nominee all known facts respecting said inventions or improvements, said applications, and said Letters Patent, to testify in any legal proceedings, to sign all lawful papers, to execute all disclaimers and divisional, continuing, reissue, and foreign applications, to make all rightful oaths, and generally to do everything possible to aid said Assignee, its successors, assigns, nominees, and legal representatives to obtain and enforce for its or their own benefit proper patent protection for said inventions or improvements in any and all countries.

AND I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue Letters Patent on applications as aforesaid, to issue to said Assignee, as Assignee of my entire right, title, and interest, any and all Letters Patent for said inventions or improvements, including any and all Letters Patent of the United States which may be issued and granted on or as a result of the applications aforesaid, in accordance with the terms of this assignment.

AND this assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this assignment. Additionally, I hereby authorize my attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this assignment.

IN WITNESS WHEREOF, I have hereunto set my hands.

Dated: 3/4/2021
