ASSIGNMENT

Pursuant to our obligation to NEXXT Spine, LLC (hereinafter referred to as "Assignee"), an Indiana corporation having a mailing address at:

14425 Bergen Boulevard, Suite B
Noblesville, IN 46060

and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged,
WE:

Alaedeem Abu-Mulaweh
Austin Clemens
Andrew Elsbury
Caleb Morin

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, except as set forth below, my entire right, title and interest -

(1) in and to an invention entitled "Intervertebral Spacer for TLIF Implant Procedure" for which we have executed a United States patent application, said United States application being assigned serial number 16/930,605, filed on July 16, 2020;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), reissue applications, and international patent applications designating the United States) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted; and

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including patent applications filed under the Patent Cooperation Treaty, the European Patent Convention or any other international treaty, and including the right to claim priority of said United States application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted.

We hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to me, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me. We further agree to permit the entry of the application serial number

and filing date following our execution of this assignment and authorize the Assignee to take the necessary steps for recording this assignment in the United States Patent Office.
