ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by both the undersigned assignor, YOKOGAWA ELECTRIC CORPORATION, and the undersigned assignees, YOKOGAWA ELECTRIC CORPORATION and YOKOGAWA SOLUTION SERVICE CORPORATION:

the undersigned, YOKOGAWA ELECTRIC CORPORATION, of 9-32, Nakacho 2-chome, Musashino-shi, Tokyo, Japan 180-8750 (hereinafter referred to as Assignor) hereby sells and assigns to YOKOGAWA ELECTRIC CORPORATION, of 9-32, Nakacho 2-chome, Musashino-shi, Tokyo, Japan 180-8750 (hereafter referred to as Assignee) and to YOKOGAWA SOLUTION SERVICE CORPORATION, of 9-32, Nakacho 2-chome, Musashino-shi, Tokyo, Japan 180-8750 (hereafter referred to as Assignee), the entire right, title and interest, including the right to sue for past infringement and to collect for all past, present and future damages, for the United States of America (as defined in 35 U.S.C. § 100) and throughout the world,

(a) in the invention known as

1. PORTABLE COMMUNICATIONS DEVICE WITH A GRAPHICAL USER INTERFACE, for which U.S. Application No. 35/507,629 was executed and has a filing date or a 371(c) date of February 14, 2019, in any and all applications thereon, in any and all Letters Patent(s) therefor,

and

(b) in any and all application(s) that claim the benefit of the patent applications listed above in part (a), including non-provisional applications, continuing (continuation, divisional, or continuation-in-part) applications, reissues, extensions, renewals, and reexaminations of the patent application or Letters Patent therefor listed above in part (a), to the full extent of the term or terms for which Letters Patents issue, and

(c) in any and all invention(s)/design(s) described in the patent applications listed above in part (a), and in any and all forms of intellectual and industrial property protection derivable from such patent application(s), and that are derivable from any and all continuing applications, reissues, extensions, renewals, and reexaminations of such patent application, including, without limitation, patents, applications, utility models, inventor's certificates, and designs together with the right to file applications therefor; and including the right to claim the same priority rights from any previously filed applications under the International Agreement for the Protection of Industrial Property, or any other international agreement, or the domestic laws of the country in which any such application is filed, as may be applicable;

all such rights, title and interest to be held and enjoyed by the above-named Assignees, its successors, legal representatives and assigns to the same extent as all such rights, title and interest would have been held and enjoyed by the Assignor had this assignment and sale not been made.

The undersigned Assignor agrees to execute all papers necessary in connection with the application(s) and any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, reexamination, or corresponding application(s) thereof and also to execute separate assignments in connection with such application(s) as the Assignees may deem necessary or expedient.

The undersigned Assignor agrees to execute all papers necessary in connection with any interference or patent enforcement action (judicial or otherwise) related to the application(s) or any non-provisional, continuing (continuation, divisional, or continuation-in-part), reissue, or reexamination application(s) thereof and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or patent enforcement action.

The undersigned Assignor hereby represents that it has full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict therewith.

The undersigned Assignor hereby grants George D. Raynal, Reg. No. 68,390 the power to insert in this assignment any further identification that may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.

IN WITNESS WHEREOF, executed and acknowledged by the undersigned Assignor and the undersigned Assignees on the date(s) opposite the signatures of the undersigned authorized representatives of Assignor and Assignees.
