ASSIGNMENT

WHEREAS, we, **Andrew J. Manning**, residing in Sioux Falls, SD; **Alex T. McCurdy** residing in Sioux Falls, SD, and **Steven T. Bly** residing in Sioux Falls, SD, (hereinafter "Assignors") made certain new and useful inventions and improvements for which we filed an application for United States Letters Patent on August 5, 2021 as application Serial No. 17/395,282, which is entitled "Endogenous Lipase for Metal Reduction in Distillers Corn Oil".

AND WHEREAS, **POET Research, Inc.**, a corporation organized and existing under and by virtue of the laws of the State of South Dakota, and having an office and place of business at 4615 N. Lewis Avenue, Sioux Falls, SD 57104 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to the Letters Patent to be obtained therefor;

NOW THEREFORE, to all whom it may concern, be it known that for and in consideration of the sum of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof is hereby acknowledged, we have sold, assigned, and transferred, and by these presents do sell, assign and transfer unto said Assignee, its successors or assigns, the entire right, title and interest for all countries in and to all inventions and improvements disclosed in the aforesaid application, and in and to said application, all patent applications based upon said application, any continuation, continuation-in-part, divisional, international, foreign, regional and convention applications corresponding thereto, and in and to any and all applications which have been or shall be filed, and all Letters Patent which may be granted therefrom, and all reissues, reexaminations, or extensions of such patents, any and all rights to collect past damages for infringement of any and all Letters Patent of the United States and countries and regions foreign thereto which may be published, which may grant, or have granted thereto or be lodged in relation thereto, and other benefits accruing to or to accrue to Assignor with respect to the filing of applications for patents or securing of patents in the United States and countries foreign thereto; and I/we do hereby authorize and request the Commissioner of Patents and Trademarks to issue any and all United States Letters Patent for the aforesaid inventions and improvements to the said Assignee as the assignee of the entire right, title and interest in and to the same, for the use of the said Assignee, its successors and assigns.

AND, for the consideration aforesaid, we do hereby agree that we and our executors and legal representatives will make, execute and deliver any and all other instruments in writing including any and all further application papers, affidavits, assignments and other documents, and will communicate to said Assignee, its successors and representatives all facts known to me/us relating to said improvements and the history thereof and will testify in all legal proceedings and generally do all things which may be necessary or desirable more effectually to secure to and vest in said Assignee, its successors or assigns the entire right, title and interest in and to the said improvements, inventions, applications, Letters Patent, rights, titles, benefits, privileges and advantages hereby sold, assigned and conveyed, or intended so to be.

AND, furthermore we covenant and agree with said Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by us and that full right to convey the same as herein expressed is possessed by us.
