ASSIGNMENT

WHEREAS, I, Greg Prodzenko, having an address at 811 Carpenter St, Philadelphia, PA 19147 (“**Assignor**”), have invented certain improvements in MOUNT FOR ADAPTING WEAPONS TO A VIRTUAL TRACKER, for which an application for United States Letters Patent (“Application”) has been executed by me of even date herewith;

WHEREAS, Street Smarts VR, a corporation having a principal place of business at 116 Nassau Street, Suite 524, New York, NY 10038 (“**Assignee**”), is desirous of acquiring all right, title and interest in and to said Application, any invention disclosed therein, and any Patent that may be granted therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor agrees to and does hereby irrevocably sell, assign and set over to said Assignee the entire right, title and interest for the United States and all other countries in and to said Application, any inventions disclosed therein, all original, divisional, continuation, substitute, reissue and reexamination applications and patents applied for or granted therefor in the United States and all other countries, including all rights of priority from the filing of said Application, and all rights for past infringement, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said inventions or resulting therefrom to said Assignee herein, as assignee of the entire interest therein. The undersigned for myself and my legal representatives, heirs and assigns do hereby agree and covenant without further remuneration, to execute and deliver all divisional, continuation, reissue and other applications for Patent on said inventions and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its representatives all facts known to the undersigned respecting said inventions, whenever reasonably requested, to sign all lawful papers, make all rightful oaths, and to do generally everything reasonably necessary and not unduly burdensome to assist Assignee, its successors, assigns and nominees to obtain patent protection for said inventions in the United States and all other countries, the expenses incident to said applications to be borne and paid by said Assignee.
