ASSIGNMENT OF INVENTION AND OF LETTERS PATENT

WHEREAS, I, Tongalp H. Tezel, of Louisville, Kentucky, have invented certain improvements in COMPOSITIONS AND METHODS FOR PREVENTING OXIDATIVE STRESS for which an application for Letters Patent of the United States of America has been filed on November 21, 2012 and assigned Application Serial Number 61/728,900;

WHEREAS, I, Andrea S. Gobin, of Louisville, Kentucky, have invented certain improvements in COMPOSITIONS AND METHODS FOR PREVENTING OXIDATIVE STRESS for which an application for Letters Patent of the United States of America has been filed on November 21, 2012 and assigned Application Serial Number 61/728,900;

WHEREAS, I, Martin G. O'Toole, of Louisville, Kentucky, have invented certain improvements in COMPOSITIONS AND METHODS FOR PREVENTING OXIDATIVE STRESS for which an application for Letters Patent of the United States of America has been filed on November 21, 2012 and assigned Application Serial Number 61/728,900; and

WHEREAS, at such time as the undersigned made the invention, they were under an obligation to assign rights to the University of Louisville Research Foundation, Inc., a Kentucky corporation having offices at the University of Louisville, Office of Technology Transfer, Med Center Three, 201 E. Jefferson, Suite 215, Louisville, KY 40202.

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned have sold, assigned, and transferred, and by these presents do sell, assign, and transfer to University of Louisville Research Foundation, Inc., its heirs, successors, legal representatives, and assigns (hereinafter designated as the Assignee) the entire right, title, and interest of the undersigned in and to said invention, said application, and in and to any Letters Patent(s) that may be granted therefor in the United States of America, its territories, dependencies, and possessions, and in any and all foreign countries, including rights of priority under the International Convention of Paris (1883) as amended; and to any and

all utility applications claiming priority thereto and any and all divisions, reissues, continuations, continuation-in-parts, conversions, and extensions thereof for the full term or terms for which the same may be granted in the United States of America or any foreign country.

The undersigned agree that the Assignee may apply for domestic and foreign Letters Patent on the invention, and agree to cooperate with the Assignee, and to execute without additional consideration any additional documents as deemed necessary by the Assignee to apply for or maintain patents or other legal protection for the invention in any country of the world.

The undersigned agree to execute all papers necessary in connection with this application and any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof and also to execute separate assignments in connection with such applications as the Assignee may deem necessary or expedient.

The undersigned agree to execute all papers necessary in connection with any interference which may be declared concerning this application or divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof or Letters Patent or reissue patent issued thereon and to cooperate with the Assignee in obtaining and producing evidence and proceeding with such interference.

The undersigned agree to execute all papers and documents and to perform any act which may be necessary in connection with claims or provisions of the International Convention for the Protection of Industrial Property or similar agreements.

The undersigned hereby authorize and request the officials of the U. S. Patent and Trademark Office and in any foreign countries to issue any and all Letters Patent resulting from said application or any divisions, reissues, continuations, continuation-in-parts, conversions and extensions thereof to the said Assignee, as Assignee of the entire interest, and hereby covenants that he has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

IN WITNESS WHEREOF, executed by the undersigned on the date above the undersigned names.
