**ASSIGNMENT**

**THIS ASSIGNMENT** is made by and between MIRCO NEESER, DIMITRIOS TAKIDIS and ANDREAS KELLER (hereinafter referred to as inventors and/or Assignors), and

SIGNODE INDUSTRIAL GROUP LLC, a corporation of the State of Delaware, U.S.A., having a place of business at 3650 West Lake Avenue, Glenview, Illinois 60026, USA ("SIG") as Assignee.

**WHEREAS**, inventors have made one or more inventions (as identified below) (hereinafter individually or collectively referred to as "Invention"); and

**WHEREAS**, the parties hereto have at all times desired that SIG shall absolutely hold any and all rights (including, but not limited to, Application rights, Patent Rights, Utility Patent rights, Plant Patent rights, Design Patent rights, Priority rights) in the Invention in accordance with the assignment made herein.

**NOW THEREFORE**, for valuable and sufficient consideration from SIG to Assignors, receipt of such consideration being hereby acknowledged and intending to be legally sufficient, we hereby sell, assign and convey unto Assignee, its successors and assigns, our entire right, title and interest:

(1) in and to the Invention entitled "UMREIFUNGSVORRICHTUNG" for which Swiss Patent Application No. 01213/16 was filed on September 18, 2016;

(2) in and to the Invention entitled "STRAPPING APPARATUS" for which PCT Patent Application No. PCT/US2017/050473 was filed on September 7, 2017;

(3) in and to said PCT Patent Application, United States Patent Application, United States Provisional Application(s), and/or Swiss Patent Application, and in and to all other patent applications now or hereafter filed in any country throughout the world claiming priority therefrom, as well as any divisional, continuation, reexamination and reissue applications, and legal equivalents thereof, based upon said forgoing Invention, and in and to any patent or patents granted thereon or issued therefrom, including reissues or the like thereof, if any, to the full end of the term or terms for which said patent or patents may be granted or issued, (if necessary for recordation purposes with any national or foreign patent office throughout the world, said other patent application(s) and/or patent(s) being specifically identified as follows)

Country	Application/Patent No.	Filing/Issue or Grant Date
Country	Application/Patent No.	Filing/Issue or Grant Date

(4) in and to any and all priority rights, and any other application and patent rights in all of the above mentioned patent applications and patents; and

(5) in and to any and all rights to sue for any past, present or future infringement of any patents issuing from any patent applications of any countries on the Invention including, but not limited to, the right to collect and receive any damages, royalties or settlements for such infringements; all rights to sue for injunctive or other equitable relief; and all causes of action relating to any patents issuing from any such patent applications on the Invention.

Assignors hereby authorize Assignee and/or its agent or attorney to enter the Application No(s). and filing date(s) of the subject patent application(s) in the spaces provided above once received.

For the avoidance of any doubt, and without restricting the generality of this Assignment, it is confirmed by Assignors that Assignee had the right to file the PCT Patent Application, United States Patent Application, United States Provisional Application(s), and/or Swiss Patent Application, and shall have the right to file additional applications for protection of whatever form and in whichever countries it may choose to do so.

Assignors agree that the PCT Patent Application, United States Patent Application, United States Provisional Application(s), and/or Swiss Patent Application, and any patent applications of any countries which may be filed under any applicable international treaties and/or conventions based upon said Invention, shall be filed in the name of Assignee with the right to claim priority to the PCT Patent Application, United States Patent Application, United States Provisional Application(s), and/or Swiss Patent Application based upon said Invention.

Assignors further agree and authorize the Commissioner of Patents and Trademarks of the United States and all other appropriate government officials for applicable countries foreign to the United States to issue any and all above-identified patents to Assignee.

Assignors hereby further agree that Assignors shall, upon demand of Assignee, its successors or assigns, and without further consideration to us, fully cooperate with Assignee in preparing, filing and procuring any patent applications of any countries on the invention.

Assignors hereby further agree that Assignors shall, upon demand of Assignee, its successors or assigns, and without further consideration to Assignors, execute and deliver any and all papers, make all rightful oaths and perform all acts that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to be a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers and oaths, and performance of all applicable acts, shall be paid by Assignee, its successors and assigns, and not by Assignors.

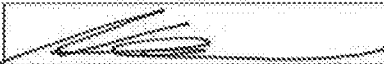

Assignors hereby further agree that Assignors shall, upon demand of Assignee, its successors or assigns, and without further consideration to Assignors, provide any information, testify in any legal proceeding and take any other actions that may be necessary, or deemed by Assignee, its successors or assigns to be necessary, to Assignee's, its successors' or assigns' full enjoyment, protection, enforcement and title in and to the Invention and any and all rights hereby transferred.

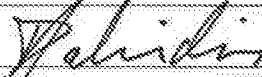

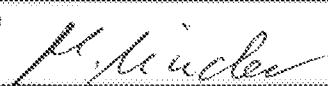

Any and all rights Assignee takes under this Assignment are freely assignable or otherwise transferable by Assignee without any restriction whatsoever.

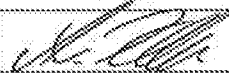

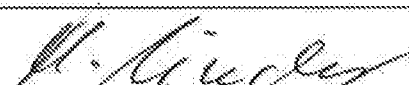

Assignors hereby confirm Assignors assignment absolutely to Assignee of any and all rights whatsoever that Assignors may have in the subject matter hereof to the full extent that Assignors would have had, had this assignment not been made.

The consideration for the Assignment is in the premises above but in deference to those jurisdictions where a monetary consideration is required to effect an assignment, Assignee agrees to pay each of the Assignors the sum of \$1 (one U.S. dollar) or such other sufficient amount as agreed to by the parties, the receipt, adequacy and sufficiency of which the Assignors acknowledge on signature hereto.
