### ASSIGNMENT

THIS ASSIGNMENT, made by **SOV Therapeutics, Inc.**, a North Carolina corporation having a principal place of business at 101 Guymon Court, Morrisville, North Carolina 27560, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, the above-named corporation is the owner of the entire right, title, and interest in the Patents and Patent Applications as listed on Exhibit A, attached hereto and incorporated herein by reference; and

WHEREAS, **Marius Pharmaceuticals LLC**, a Delaware limited liability company having a principal place of business at 8601 Six Forks Road, Suite 630, Raleigh, North Carolina 27615, hereinafter referred to as Assignee, is desirous of acquiring the Assignor's entire right, title, and interest in and to said Patents and Patent Applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, its entire right, title, and interest in and to the said Patents and Patent Applications, and in and to any and all subsequent patent applications which claim the benefit of priority from said Patents and Patent Applications including regular utility, continuations, and continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted for the invention in or on applications claiming the benefit of priority from said Patents and Patent Applications, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereof or therefore, together with the right to claim the benefit of priority from said Patents and Patent Applications in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made (including, but not limited to, the right to sue in Assignee's own name and to recover for past infringement of any or all of any Patents or Patent Applications together with all rights to recover damages for infringement of provisional rights).

The Assignor further covenants and agrees that, (i) at the time of the execution and delivery of these presents, it possesses full title to the Patents and Patent Applications, and that it has the unencumbered right and authority to make this assignment, and (ii) that the Patents and Patent Applications will be transferred to Assignee free and clear of any liens, security interests or other encumbrances.

The Assignor further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known to the Assignor relating to said Patents and Patent Applications, to testify in any interference or legal proceedings involving said Patents and Patent Applications, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said Patents and Patent Applications in all countries and to vest in the Assignee complete title to the said Patents and Patent Applications and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and the Assignor hereby instructs, and further covenants and agrees to bind its legal representatives and assigns, to do same, without further compensation, but at the expense of said Assignor or its representatives.

IN WITNESS WHEREOF, I have hereunto set my hand and seal on this 28 day of December, 2016. The undersigned warrants and represents that he/she has the authority to sign this Assignment on behalf of the Assignor, **SOV Therapeutics, Inc.**
