Trade Mark and Patent Assignment Deed

Date April 1, 2021

Parties

- 1 Sunbeam Corporation Pty Ltd (ABN 45 000 006 771) (formerly known as Sunbeam Corporation Limited) (Assignor)
- 2 Newell Australia Pty Ltd (ABN 68 075 071 233) (Assignee)

Recitals

- A The Assignor and the Assignee are party to an Asset Purchase Agreement dated on or around the date of this document (**Purchase Agreement**) pursuant to which the Assignor has agreed to sell, and the Assignee has agreed to purchase, the trade mark registrations and applications listed in Schedule 1 (**Trade Marks**) and patents or patent applications listed in Schedule 2, as well as any continuations, divisionals, international counterparts, modifications, extensions or reissues of the same, (**Patents**) amongst other assets.
- B In fulfilment of its obligations under the Purchase Agreement, the Assignor agrees to assign, and the Assignee agrees to accept, all the Assignor's right, title and interest in and to the Trade Marks and Patents pursuant to this document.

Operative part

1 Assignment of Trade Marks

1.1 Assignment

With effect from the date of execution of this document, the Assignor assigns and transmits to Assignee, and Assignee hereby accepts, the Assignor's entire right, title and interest (both legal and beneficial) in and to the Trade Marks, including all copyright, goodwill and common law rights in and to the Trade Marks.

1.2 Right to Take Action

The assignment in clause 1.1 includes the right to take any action that the Assignor has had, or may have, against any person to enjoin, recover damages, accounts of profit or to obtain any other relief for any infringement or misuse of any of the Trade Marks, whether occurring before or after the date of this document, including specifically the right to claim past damages for such infringement or misuse.

1.3 Facilitation of Assignment

The Assignee must promptly take all steps required by each applicable trade marks registry to have the assignment in clause 1.1 recorded on the applicable register.

2 Assignment of Patents

2.1 Assignment

With effect from the date of execution of this document, the Assignor assigns and transmits to Assignee, and Assignee hereby accepts, the Assignor's entire right, title and interest (both legal and beneficial) in and to the Patents and any rights to claim priority to the same.

2.2 Right to Take Action

The assignment in clause 2.1 includes the right to take any action that the Assignor has had, or may have, against any person to enjoin, recover damages, accounts of profit, or to obtain any other relief for any infringement or misuse of any of the Patents, whether occurring before or after the date of this document, including specifically the right to claim past damages for such infringement or misuse.

2.3 Facilitation of Assignment

The Assignee must promptly take all steps required by each applicable Patents Commissioner or patents registry to have the assignment in clause 2.1 recorded on the applicable register.

3 General**3.1 Duty**

- (a) As between the parties the Assignee is liable for and must pay all taxes and stamp or other duties, other than income, company or capital gains tax, on or relating to this document, any document executed under it or any dutiable transaction evidenced or effected by it (**Duty**).
- (b) If a party other than the Assignee pays any Duty on or relating to this document, any document executed under it or any dutiable transaction evidenced or effected by it, the Assignee must pay that amount to the paying party on demand.

3.2 Amendment

This document may be amended only by written agreement of all parties.

3.3 Counterparts

- (a) This document may be executed in any number of counterparts, and by the parties in separate counterparts, but is not effective until each party has executed at least one counterpart.
- (b) Each counterpart of this document constitutes an original of this document but the counterparts together constitute one and the same instrument.

3.4 Governing Law and Jurisdiction

- (a) The laws of New South Wales govern this document.
- (b) Each party irrevocably submits to the non-exclusive jurisdiction of the courts of New South Wales.

3.5 Costs

- (a) A party will bear its own costs in relation to the negotiation, preparation and execution of this document and any further document required. However, unless this document otherwise provides, the cost of performing an obligation will be borne by the party concerned.
