(1) in and to inventions described in a patent application titled "**AUTOMATIC RAMP LOAD SENSE FOR POWER TOOLS**" for which I/we filed United States Non-Provisional Utility Patent Application No. 17367,927 on July 6, 2021 (hereinafter the "U.S. utility patent application") (Attorney Docket No. 066042-7200-US03) and concurrently filed PCT International Patent Application No. PCT/US2021/040449 on July 6, 2021 (hereinafter the "PCT patent application") (Attorney Docket No. 066042-7091-WO01), both of which claim priority to United States Provisional patent application No. 63/048,441, filed on July 6, 2020 and U.S. provisional patent applications No. 63/118,183, filed on November 25, 2020 (hereinafter the "U.S. provisional patent applications") (Attorney Docket No. 066042-200-US01/US02);

(2) in and to the U.S. utility patent application, the PCT patent application, and the U.S. provisional patent applications, in and to all other patent applications (including divisional, continuation, continuation-in-part, 35 U.S.C. §111(b) provisional, 35 U.S.C. §111(a), and reissue applications) based upon said inventions, and in and to the patent or patents to be granted thereon, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, including foreign applications entering the national phase of the PCT patent application, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the U.S. utility patent application, the PCT patent application, and the U.S. provisional patent applications.

I/We hereby authorize the assignee or attorney of record to insert in the appropriate place in this document the application number of my/our application after execution of this Assignment.

I/We agree that any patent applications of any foreign countries which may be filed shall be filed in the name of Assignee with a claim to priority based on the U.S. utility patent application, the PCT patent application, and the U.S. provisional patent applications.

I/We hereby agree that I/we will, upon demand of Assignee, its successors or assigns, and without further consideration to me/us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me/us.

The Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said patent or patents to Assignee.
