This Assignment is to:

Assignee: Cytokinetics, Inc.

Address: 280 East Grand Avenue, South San Francisco, CA 94080

A juristic entity duly organized under and pursuant to the laws of: Delaware

(referred to in this Assignment as "Assignee"), which desires to acquire the entire right, title and interest in, to and under said patent(s) and patent application(s).

For good and valuable consideration pursuant to the Patent Assignment letter agreement dated April 5, 2019 between Assignor and Assignee and the Collaboration and Option Agreement dated December 29, 2006 between Assignor and Assignee, the receipt and sufficiency of which are hereby acknowledged,

1. Assignor hereby sells, assigns, transfers and sets over, to Assignee, its successors, legal representatives and assigns, its entire right, title and interest in and to the aforementioned patents and patent applications and all US patent applications claiming priority, directly or indirectly, to the aforementioned patents and patent applications and all patents issuing from any of the foregoing including, without limitation, any modifications to such patent such as through reissue, re-examination or other post-grant proceeding, and any and all extensions of said letters patent, the same to be held and enjoyed by Assignee (including any right to institute actions and to recover damages for past, present and future infringement), for its own use and the use of its successors, legal representatives and assigns, to the full end of the term or terms for which letters patent may be granted, as fully and entirely as the same would have been held and enjoyed by Assignor, had this sale, assignment, transfer, and set over not been made.

2. Assignor hereby authorizes and requests the Commissioner of Patents in the United States to issue the above mentioned letters patent of the United States to Assignee as the assignee of said inventions and the letters patent to be issued thereon for the sole use of Assignee, its successors, legal representatives and assigns.

In witness whereby, executed by the undersigned on the date(s) opposite the undersigned name(s).
