DATED November 5, 2018

LINEAR TECHNOLOGY LLC

AND

ANALOG DEVICES INTERNATIONAL UNLIMITED COMPANY

DEED OF TRANSFER

THIS DEED is made the 5th day of November 2018 and made between:

- (1) **Linear Technology LLC**, a Delaware limited liability company (**LT LLC**); and
- (2) **Analog Devices International Unlimited Company**, an Irish incorporated private unlimited company (**ADINTL**).

WHEREAS

- A. It has been agreed between the parties hereto that LT LLC will make a contribution of Intellectual Property (as defined below) to ADINTL upon the terms and conditions hereinafter set out.

1. INTERPRETATION

1.1. Definitions:

For the purpose of this Deed,

"Controlled" means, with respect to any IP Right or Know-How, that LT LLC has the right through its ownership or license of such IP Right or Know-How, to grant a license or other right under or to such item without violating the terms of any agreement with any third party;

"Intellectual Property" means all IP Rights, Know-How and related intangibles;

"IP Rights" means any patent, copyright, mark work, or utility model, any application or registration for any patent, copyright, mark work, or utility model, or any substitution, divisional, continuation, continuation-in-part, reissue, re-examination or extension (including supplementary protection certificate) of any of the foregoing, subsisting anywhere in the world;

"Know-How" means all proprietary information relating to electronic device technology, including trade secrets, technical information and knowledge, including specifications, drawings, technical data and details of manufacturing processes, and all associated data, but excluding IP Rights.

- 1.2. Headings are inserted for convenience only and do not affect the interpretation of the Deed.
- 1.3. Unless the context otherwise requires, words importing the singular include the plural and vice versa, words importing the masculine include the feminine, and words importing persons include corporations.
- 1.4. References to writing or similar expressions include where the context so admits transmission by telecopier or comparable means of communication.
- 1.5. References to any document include that document as amended or supplemented from time to time.

2. CONTRIBUTION

- 2.1. LT LLC agrees and undertakes as of the Effective Date to make an irrevocable, non-repayable, unconditional contribution of all its Intellectual Property (including all rights attaching or accruing thereto), to ADINTL (the **Contribution**) and the parties agree to enter into the:

- 2.1.1. assignment of rights agreement between LT LLC and ADINTL to be dated as of the Effective Date, as set out in Schedule 1 of this Deed.

3. EFFECTIVE DATE

The transactions contemplated hereunder shall take effect as of November 5, 2018 (the **Effective Date**).

4. **MISCELLANEOUS**

- 4.1. **Further Assurance:** LT LLC shall (and shall procure that any other necessary parties will) as soon as possible from the date hereof do all such acts and things as may be required to transfer to ADINTL all its Intellectual Property and to effect the Contribution.
- 4.2. **Invalidity:** If any term or provision in this Deed is held to be illegal or unenforceable, in whole or in part, under any enactment or rule of law, such term or provision or part will, to that extent, be deemed not to form part of this Deed but the enforceability of the remainder of this Deed will not be affected.
- 4.3. **Entire Agreement:** This Deed embodies the entire agreement between the parties and supersedes all previous statements, representations and agreements between the parties relating to the subject matter of this Deed.
- 4.4. **Counterparts:** This Deed may be entered into in any number of counterparts and by the parties to it on separate counterparts, each of which when so executed and delivered will be an original, but all the counterparts will together constitute one and the same instrument.
- 4.5. **Notices:** Any notice required to be given by any Party to another Party shall be in writing and will be validly served if delivered or sent by prepaid registered letter to its address given herein or such other address as may from time to time be notified for this purpose, and any notice so served will be deemed to have been served, if delivered, upon delivery and if posted, (forty-eight) 48 hours after the time at which it was posted.
- 4.6. **Governing Law and Submission to Jurisdiction:** This Deed and the documents to be entered into pursuant to it will be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to any conflict of laws principles that would require the application of the laws of any other jurisdiction. All the parties irrevocably agree that the courts of the State of Delaware are to have exclusive jurisdiction to settle any disputes which may arise out of or in connection with this Deed and such documents.

IN WITNESS whereof the parties have executed this Deed as of the date and year first herein written.

Linear Technology LLC
