ASSIGNMENT

WHEREAS, WE, Joseph Hamilton III, a citizen of the United States of America, residing at 225 Cross Creek Private Lane, Lenoir City, Tennessee 37771; Jon Broncatello, a citizen of the United States of America, residing at 202 Scenic Dr., Oak Ridge, Tennessee, 37830; and Gary W. Campbell, a citizen of the United States of America, residing at 11032 Concord Woods Drive, Knoxville, Tennessee 37934, are inventors of inventions described in (i) U.S. Patent Application No. 63/183,412, filed May 3, 2021 and titled "SIDE SHADE ASSEMBLY," and (ii) U.S. Patent Application No. 17/386,909, filed July 28, 2021, and titled "SIDE SHADE ASSEMBLY"; and whereas we made said invention in the course of our employment by Apex Canvas Company, LLC, a Tennessee limited liability company having an address of 500 RPM Drive, Loudon, Tennessee, 37774, and whereas we agreed when we accepted said employment that, as a condition thereof, all right, title, and interest in, to, and under any inventions made by us in the course of the employment inures to the benefit of said Apex Canvas Company, LLC, and whereas said Apex Canvas Company, LLC has paid each of us the compensation agreed upon for his services as an employee;

NOW, THEREFORE, WE hereby acknowledge that we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto said Apex Canvas Company, LLC, its successors, legal representatives, and assigns, our entire right, title and interest in, to, and under said invention, together with said applications and any and all later-filed applications based thereon, including divisions, renewals, and continuations, and all Letters Patent of the United States which may be granted on such applications, and all reissues and extensions thereof, and all applications for Letters Patent or Certificate of Invention which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent and Certificates of Invention that may be granted for said invention in any country or countries foreign to the United States, and all extensions, renewals, and reissues thereof, and all rights of priority in any such country or countries based upon the filing of said applications for Letters Patent of the United States which are created by any law, treaty, or international convention; and we hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the

United States whose duty it is to issue Letters Patent or Certificates of Invention on applications as aforesaid, to issue all Letters Patent and Certificates of Invention for said inventions to Apex Canvas Company, LLC, its successors, legal representatives, and assigns, in accordance with the terms of this instrument.

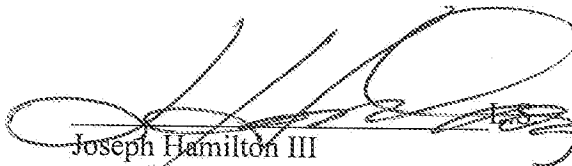

AND WE HEREBY consent that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file, or like document which may be required in any country or region for any purpose, and more particularly in proof of the right of our assignee or its nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

AND WE HEREBY covenant that we have full right to convey our entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said Apex Canvas Company, LLC, its successors, legal representatives, and assigns, any facts known to me respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and generally do everything possible to aid Apex Canvas Company, LLC, its successors, legal representatives, and assigns, to obtain and enforce proper Letters Patent or Certificate of Invention protection for said invention in all countries.

IN TESTIMONY WHEREOF, we hereunto set our hand and seal the day and year set opposite our respective signatures.
