Carol Stream, Illinois 60188

Insert State of Incorporation (if applicable) or "Not Applicable" a corporation of Illinois

(hereinafter designated as the Assignee) their entire right, title, and interest in, to, and under the Patents, including all priority rights for other countries arising therefrom, all inventions and improvements therein disclosed, and any and all Letters Patent, utility patents, utility models, and design registrations of the United States and of all other foreign countries, including Canada, which may be granted for such inventions or improvements, or any of them, all such inventions and all rights in such Patents to be held and enjoyed by Assignee for its own use and enjoyment to the full end of the term or terms for which such Letters Patents may be granted, as fully and entirely as the same would have been held and enjoyed by them had this assignment and sale not been made, including the right to claim priority based on the filing date of the Patents under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes.

The undersigned agree(s) to execute all papers necessary in connection with the patent(s) in the United States and foreign countries and any continuing, divisional, or reissue patents thereof, and any reexamination of any of such patents, and also to execute separate assignments in connection with such patents as the Assignee may deem necessary or expedient.

The undersigned agree(s) to execute all papers necessary in connection with any interference which may be declared or litigation concerning the patent(s) or continuation, division, reissue, or reexamination thereof, and to cooperate with the Assignee in every way possible in obtaining evidence and going forward with such interference or litigation.

The undersigned agree(s) to execute all papers and documents and perform any act which may be necessary in connection with claims or provisions of the International Convention for Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes or similar agreements.

The undersigned agree(s) to do all other acts which, in the opinion of Assignee, may be necessary or desirable to secure the grant of Letters Patent to Assignee or its nominees, in the United States and in all other countries where Assignee may desire to have

such inventions, or any of them, patented, with specifications and claims in such form as shall be approved by Assignee and to vest and confirm in Assignee or its nominees the full and complete legal and equitable title to all such Letters Patent.

The undersigned hereby authorize(s) the Assignee to apply in all countries in the Assignee's name or in its own name, as determined by the Assignee, for Letters Patent, utility patents, utility models, design registrations, and like rights of exclusion and for inventor's certificates for said inventions and improvements.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue any and all Letters Patent of the United States resulting from said patent(s) or any division or divisions or continuing or reissue patents thereof, and any reexamination of any of such patents, to the said Assignee, as Assignee of the entire interest, and hereby covenants that the undersigned has full right to convey the interest herein assigned, and that the undersigned has not executed, and will not execute, any agreement in conflict herewith.

The undersigned hereby grant(s) the attorney of record the power to insert on this assignment any further identification which may be necessary or desirable and to correct typographical errors in connection with the information contained herein prior to any recordation of this document.
