ASSIGNMENT

THIS ASSIGNMENT, made by, HURUM Co., Ltd., having an address of 158-19, Golden root-ro, Juchon-myeon, Gimhae-si, Gyeongsangnam-do, 621-844, Republic of Korea, hereinafter referred to as Assignor;

WITNESSETH: that,

WHEREAS, Assignor has, or may have, previously acquired all, or some, right, title, and interest in and to the intellectual property listed on Schedule A, and in and to all corresponding patents, patent applications, utility models, design registrations, other rights of exclusion, and/or inventors' certificates in every country or region worldwide, and in and to all inventions represented thereby (all hereinafter referred to collectively as the "Assigned Intellectual Property" on the attached Schedule A); and,

WHEREAS, Hurum LS CO., Ltd., having an address of 228, Hakdong-ro, Gangnam-gu, Seoul 06104, Republic of Korea, hereinafter referred to as Assignee, is desirous of acquiring the entire right, title, and interest in and to the Assigned Intellectual Property that is, or may be, held by Assignor; and

WHEREAS, the parties have agreed to the Assignment hereinafter set forth;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold and by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, and Assignor does hereby relinquish, release, and quit claim unto Assignee forever, its entire right, title, and interest and any claim in and to the Assigned Intellectual Property, and all intellectual property rights thereto and the inventions represented thereby, together with every priority right that is or may be predicated upon or arise from any of the Assigned Intellectual Property, and all other patent applications, patents, utility models, design registrations, other rights of exclusion, and inventors' certificates relating to any of the inventions described in the Assigned Intellectual Property, and any and all continuations, continuations-in-part, or divisions thereof, and any and all Letters Patent or reissues, reexaminations, or extensions thereof that may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted, together with the right to claim priority in all foreign countries in accordance with the International Convention; all rights corresponding to the Assigned Intellectual Property in foreign countries throughout the world; and all of its rights to sue for past infringement of the Assigned Intellectual Property worldwide, together with all claims for damage by reason of past infringement of the Assigned Intellectual Property, with the right to sue for, and collect the same for Assignee's own use and enjoyment; all to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made. The parties acknowledge and agree that Assignor is selling, assigning, transferring, and conveying whatever interest Assignor has, or may have, in and to the foregoing, if any, without any representations or warranties of any kind.

From time to time after the date hereof, at the request of the Assignee, Assignor shall execute, provide, and deliver to Assignee such information, items, declarations, testimony, or documents and take such other action as Assignee may reasonably request to consummate the transactions contemplated hereby and for Assignee to effect and assert its rights.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it has the unencumbered right and authority to make this Assignment.

IN WITNESS WHEREOF, the Assignor has caused this assignment to be executed below.
