PATENT TRADEMARK OFFICE

PATENT ASSIGNMENT

This assignment made on the date indicated below by Joel Thomas Powell of
54 CORALWOOD DR.
LAS VEGAS NV 89138 and Daniel Steven Nielson of 8708 Bighorn Island Ave
Las Vegas, NV 89148
 (Assignors) to JDP W.H.A.T. LTD having a place of business at 281 ALDER VIEW DR.
LAS VEGAS, NV 89138 (Assignee);

WHEREAS, Assignors have invented new, original, useful and/or ornamental embodiments of an invention entitled "Safety Valve for Hot Water Heater" (Inventions) for which a United States utility patent application has been or will be filed, further identified by Cisko & Thomas' Docket No. 20-42892 ("Patent Application");

WHEREAS, Assignors believe themselves to be the original inventors of a claimed invention in the Patent Application;

WHEREAS, the above-identified Patent Application was made or authorized to be made by Assignors; and

WHEREAS, Assignee desires to acquire by formal, recordable assignment Assignors' entire rights, title, and interest in and to said Inventions, and said Patent Application in the United States and throughout the world.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignors hereby sell, assign, and transfer to Assignee, their entire rights, title, and interest in and to said Inventions, and said Patent Application for said Inventions in the United States and throughout the world, including the exclusive right to file any provisional, design, non-provisional, divisional, continuation, continuation-in-part, reissue, foreign, or other application based on the Inventions directly in the name of Assignee and to claim any priority rights to which such applications are entitled under international conventions,

treaties, or otherwise.

Further Assignors agree that, upon request and without further compensation, but at no expense to Assignors; Assignors, their legal representatives, and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that may be necessary or desirable for obtaining, sustaining, reissuing, or enforcing said Patent Application in the United States and throughout the world for said Inventions, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Inventions, and said Patent Application filed, and any patents granted for said Inventions in the United States and throughout the world.

Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

///
///
///

Assignors authorize and request the Commissioner of Patents and Trademarks of the United States and of all foreign countries to issue any Patent granted for said Inventions, whether on an application for said Inventions, said Patent Application, or on any subsequently filed provisional, non-provisional, divisional, continuation, continuation-in-part, reissue, or other application, to Assignee, its successors and assigns, as the assignee of their entire interest in said Inventions.

Assignors hereby acknowledge that any willful false statement made in this assignment is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

IN WITNESS WHEREOF, Assignors have executed this Assignment as set forth below.
