ASSIGNMENT
DESIGN PATENT APPLICATION
MARK.0103

In consideration of One Dollar and other good and valuable consideration, of which I acknowledge receipt, I, Betharia Puspitasari, hereby sell and assign to Marklyn Group Inc., its successors and assigns (the "Company") the entire right, title, and interest in and to the improvements invented by me, as described in United States Design Patent Application entitled "CELLULAR PHONE HOLDER DESIGN". I also hereby sell and assign to the Company the entire right, title, and interest in and to any and all applications for patent and patents therefor in any and all countries, including all divisions, reissues, continuations, and extensions thereof, and all rights of priority resulting from the filing of said United States Patent Application.

I hereby authorize and request any official whose duty it is to issue patents, to issue any patents on the improvements, or resulting therefrom, to the Company, or its successors or assigns. I hereby further agree that on request and without further consideration, I will communicate to the Company or its representatives or nominees any facts known to me respecting the improvements, testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and generally do everything possible to aid the Company, its successors, and nominees to obtain and enforce proper patent protection for the improvements in all countries. I further authorize and direct the Company or its representatives to insert below, the application number and filing date of the DESIGN PATENT APPLICATION now identified as Attorney Docket No. MARK.0103 as soon as the same shall have been made known to them by the United States Patent and Trademark Office.
