All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the Assets are expressly excluded (including without limitation all warranties and conditions as to title, quiet possession, satisfactory quality, fitness for purpose and description).
- 15.2 The Buyer agrees that the terms and conditions of this agreement and the exclusions which it contains are fair and reasonable in the context of a sale by an insolvent company bearing in mind that:
- (a) the Administrators have specifically told the Buyer that the Buyer must rely absolutely on the Buyer's own opinion and/or professional advice concerning:
    - (i) the terms of this agreement;
    - (ii) the quality, state, condition, performance and functionality of the Assets any right, title or interest in which is sold under the terms of this agreement; their fitness and suitability for any particular or any purpose; the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination; and
    - (iii) the possibility that the Buyer may not acquire title to all or any of the Assets and the fact that the Buyer would have no remedy under this agreement should that happen;

- (b) the Buyer has available to it skilled professional advice and on that basis has agreed to purchase the Assets and to enter into this agreement for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the Parties believe that all the exclusions and limitations set out in this agreement would be recognised as being fully effective by the courts and the Seller making it clear that it would not have agreed to sell the Assets on any other basis except for a higher consideration;
  - (c) the Buyer, its servants, employees, agents, representatives and advisers have been given every opportunity which might reasonably be expected to examine and inspect the Assets, to interview all or any of the Employees and to obtain information from the Seller relating to the Assets; and
  - (d) the Seller is an insolvent company, its affairs are consequently disorganised and uncertain, and that the Administrators have only very limited knowledge of its affairs.
- 15.3 The Buyer acknowledges that the Consideration agreed for the sale and purchase under this agreement reflects the Parties' belief that these terms are valid and binding in their entirety.
- 15.4 The Buyer acknowledges that:
- (a) notwithstanding any other provision contained in this agreement all the Assets sold shall be purchased on the basis that risk of good title to all or any of them passing to the Buyer is at the Buyer's sole risk and without limitation the Assets sold in this agreement are sold subject to any claims, liens, CRAR, distraint and execution and subject to all leasing, hire or hire purchase agreements and reservation of title claims (if any) in respect of them; and
  - (b) if it shall be found that the Seller does not have title to any or all of the Assets the Buyer shall have no right to rescind, avoid or vary this agreement or to claim damages or a reduction in the Consideration paid or payable under the terms of this agreement.
- 15.5 Without prejudice to the generality of the foregoing:
- (a) no warranty, representation, statement or assurance, is given as to the performance of all and any computer systems, Software and/or plant, machinery or Equipment included or comprised in the Assets; and
  - (b) the Seller shall not be required to put any of the Vehicles into a roadworthy condition or to make any plant included in the Assets safe.
- 15.6 The Buyer undertakes that it shall ensure that any Vehicle is in a roadworthy condition in compliance with the Road Vehicle (Construction and Use) Regulations 1986 before using it on a public road and that any plant is not used unless and until it is safe and the Buyer acknowledges that neither the Seller nor the Administrators shall incur any liability to the Buyer because of any fault or defect in all or any of the Assets or any breach of the obligations of the Seller arising under the Sale of Goods Act 1979 or the Health and Safety at Work Act 1974.
- 15.7 Subject to any provisions in this agreement to the contrary the Buyer undertakes:

- (a) that it shall at its own expense return all and any assets as are subject to any valid third party claims to the Administrators or to the owner of those assets immediately on demand or otherwise as the Administrators direct; and
- (b) to fully indemnify the Seller and the Administrators in respect of all and any Liabilities arising from all and any third party claims relating to the Assets.

The Buyer shall not be entitled to any compensation in respect of any assets so returned.

15.8 The Buyer agrees and undertakes to fully indemnify the Seller and the Administrators from and against all and any Liabilities made or arising in the course of the use of the Assets by the Buyer by reason of or as a result of any infringement of any third party's rights.

15.9 The Buyer warrants that:

- (a) it has full authority to enter into this agreement;
- (b) all disclosures required to be made in respect of this transaction have been made; and
- (c) all approvals required to be obtained whether under the provisions of the Companies Act 2006 or any other enactment have been duly obtained and that it is in a position to enter into the transaction;
- (d) the Buyer is not a person connected with a director of the Seller or of any holding company of the Seller or, if it is so connected, that a resolution of the Buyer and (as the case may require) any holding company of the Buyer has been passed in accordance with sections 190, 191 and 223(1) Companies Act 2006 or that no such resolution is required by virtue of Section 192 of that Act;

and the Buyer agrees and undertakes to fully indemnify the Seller and the Administrators from and against all and any Liabilities arising as a result of any breach of this warranty.

15.10 To the extent that the sale of the Assets are subject to the consent of any third party (if required) the Buyer accepts that:

- (a) it shall be its responsibility and its sole expense to apply for and obtain any necessary consent; and
- (b) any failure to obtain consent shall neither annul this sale nor entitle the Buyer to any compensation.

The Seller shall for two months from the Transfer Date provide the Buyer (at the Buyer's expense on a full indemnity basis) with such assistance as it may reasonably require in connection with obtaining any necessary consent.

15.11 The Buyer shall not be entitled to set off any amounts payable to it whether or not arising under the terms of this agreement against any sums payable by the Buyer to the Seller.

- 15.12 If the Buyer makes defaults in the payment of any sums due to the Seller under the terms of this agreement then the Buyer shall pay interest on the outstanding monies at the rate of 10% per annum from the due date until payment (whether before or after any judgment). Such interest shall accrue on a daily basis and shall be compounded monthly.
- 15.13 The Buyer acknowledges and agrees that in the negotiation and completion of this agreement the Administrators are acting only as agents of the Seller and that notwithstanding that this agreement shall have been signed by the Administrators on behalf of the Seller it is expressly agreed and declared that:
- (a) no personal liability under or in connection with this agreement shall fall on the Administrators or their company, directors, employees or agents and to the extent permitted by law the Buyer shall fully indemnify the Administrators against all and any Liabilities arising under or in connection with this agreement (save those Liabilities arising out of fraud and/or wilful misconduct by the Administrators);
  - (b) the Administrators are party to this agreement in their personal capacities only for the purpose of receiving the benefit of this sub-clause and the exclusions, limitations, undertakings, covenants and indemnities in their favour in this agreement;
  - (c) the Buyer hereby waives any claim in tort as well as under contract against the Administrators; and
  - (d) no sums due from the Administrators (if any) or the Seller (if any) by reason directly or indirectly of the terms of this agreement shall be charged or payable as an expense or remuneration of the Administrators, or otherwise as mentioned in paragraphs 99(3) and 99(4) of Schedule B1 of the Act, but shall only rank as an unsecured claim against the Seller.

**16 THE WARRANTIES**
